

TUESDAY 2 DECEMBER 2025			
08:00	DELEGATE REGISTRATION WITH COFFEE AND EXHIBITION VIEWING		
08:45	SOLENT HALL		
	Welcome to conference Fiona McGill, FIS International 2025 Programme Lead		
09:05 – 10:35	SOLENT HALL	PURBECK LOUNGE	BAYVIEW SUITE
	Revenge of the MAC Welsh Microbiology Association  Chair: Bazga Ali	Bone and joint infection – An update BAJIS  Chair: Harriet Hughes	Addressing challenges in infections in critical care  Healthcare Infection Association/ British Infection Association  Chairs: Jasmin Islam and Rajeka Lazarus
	09:05 – 09:35 Extrapulmonary NTM infections Matthijs Backx, Consultant Infectious Diseases and Microbiology, Public Health Wales, UK  09:35 – 10:05 NTM - clinical cases Joshua Hrycaiczuk, SPR Infectious Diseases & Microbiology Public Health Wales, UK  10:05 – 10:35 Presentation title to be confirmed Aysha Jameel, Infectious Diseases & Microbiology Registrar, Public Health Wales, UK	09:05 – 09:35 Fracture related infection - An orthopaedic perspective Bilal Jamal  09:35 – 10:05 An ID perspective Neil Ritchie  10:05 – 10:35 Antibiotic duration in PJI Maria Dudareva	09:05 – 09:35 Antimicrobial stewardship in critical care Andrew Conway Morris, Associate Professor of Anaesthesia / MRC Clinician Scientist, University of Cambridge, UK  09:35 – 10:05 Challenges preventing HAIs and MAR in paediatric critical care Beatriz Larru Martinez, Director of Infection Prevention and Control, Alder Hey’s Children’s NHS Foundation Trust, UK  10:05 – 10:35 National surveillance for infections in critical care Jasmin Islam, UKHSA, UK
	10:35 EXHIBITION VIEWING AND REFRESHMENTS		
11:15	SOLENT HALL		
	BIA Barnet Christie Lecture Chair : Thushan De Silva		
12:15	EXHIBITION VIEWING AND LUNCH	12:15 Lunchtime workshop – HCID (BOURNE LOUNGE) Facilitator: Marie-Claire Hoyle    Jake Dunning Mike Beadsworth, Consultant in Tropical Medicine and Infectious Diseases, Royal Liverpool University Hospital, UK  HCID in children and pregnant women Elizabeth Whittaker, Paediatric Infectious Diseases and Immunology, West London Children's Healthcare, Imperial College London, NHSE, UK	

	<p>the management of patients with pyogenic central nervous system (CNS) infections</p> <p>106 - Learning Points from a case of very severe tetanus in the UK</p> <p>161 - Disseminated cutaneous blastomycosis acquired in Mexico: A case report</p> <p>164 – High ward-level and within-sample diversity of <i>Klebsiella pneumoniae</i> on a Malawian neonatal unit revealed by single colony whole genome sequencing and post-enrichment metagenomics</p> <p>167 - “It's all about the diagnosis - that was getting really very late and I was scared” - qualitative exploration of contributors and impact of diagnostic delay in active tuberculosis (TB) from the perspective of patients and healthcare providers</p> <p>182 - Effectiveness of the live attenuated (LAIV) and inactivated (IIV) influenza vaccines in children: a meta-analysis of interim data (based on cases through February 2025) from the 2024-25 influenza season</p> <p>250 - Going fungal: a medical mycology podcast series aimed at UK clinicians</p>	<p>Chemotherapy</p> <p>16:55 – 17:15 The other side: stories from accredited centres Suzy Fitzgerald, Consultant Microbiologist, St. Vincent's University Hospital, Dublin, Ireland</p> <p>17:15 to 17:30 Question and answer</p>	
17:30 – 19:00	<p><b>LOWBURY RECEPTION (EXHIBITION) AND POSTER VIEWING</b> Including drinks and canapes</p>		
19:00	<p><b>DAY ONE CLOSE</b></p>		

WEDNESDAY 3 DECEMBER 2025						DAY WO
07:45	DELEGATE REGISTRATION WITH COFFEE AND EXHIBITION VIEWING					
08:30	SOLENT HALL					
	Water hygiene Healthcare Infection Society					
09:15	SOLENT HALL					
	HIS Early Career Award Jon Otter, Director of Infection Prevention and Control, Guy’s and St. Thomas’ NHS Foundation Trust, UK					
10:15	EXHIBITION VIEWING AND REFRESHMENTS					
10:45	SOLENT HALL	PURBECK LOUNGE	BAYVIEW SUITE	BOURNE LOUNGE		
	The National Infection Teams Collaborative for Audit and Research	IPC in the real world Infection Prevention Society	Tropic like it’s hot: Climate change and the shifting landscape of infectious diseases Microbiology Society / NaTHNaC	Controversies in infectious disease management British Infection Association		
	Chair: To be confirmed	Chair: Jude Robinson	Chair: Ashley Otter	Chair: Amani Alnimr		
	CRE-DITS Ioannis Baltas, Infectious Diseases and Medical Microbiology, NIHR Academic Clinical Fellow, University College London, UK	10:45 – 11:15 Top 10 papers in infection prevention & control Martin Kiernan, Visiting Professor, Infection Prevention, Richard Wells Research Centre, University of West London	Speakers to be confirmed	 Therapeutic Drug Monitoring for Beta-Lactams - Expert debate session with live audience polling		
	SinkBug: A survey of UK hospital sink infrastructure and associations with pathogen and AMR burden in these reservoirs Nicole Stoesser, Associate Professor in Infectious Diseases/Consultant in Infection, University of Oxford, UK	11:15 – 11:45 The optimal IPC team Jules Storr, CEO and co-founder of S3 Global Healthcare		Debate: Case *For* routine Beta-Lactam TDM Tim Felton, Consultant, Respiratory & Critical Care Medicine at Manchester University NHS Foundation Trust		
	11:45 – 12:15 Addressing health inequality in IPC Kerry Holden, IPS Vice President & Deputy Director, IPC Gloucestershire Hospitals NHS Foundation Trust, UK		Debate: Case *Against* routine Beta-Lactam TDM Anouk E Muller, Physician-Microbiologist, Erasmus MC University Medical Center Rotterdam, The Netherlands			

12:15	EXHIBITION VIEWING AND LUNCH		 <b>12:30 – 13:30 (BOURNE LOUNGE)</b> <b>Your role as a new consultant</b> Healthcare Infection Society	
			<b>12:30 – 13:30</b> <b>Spotlight on Industry</b> InfectoPharm (UK) Ltd Iskus Health UK	
13:45 – 15:15	SOLENT HALL	PURBECK LOUNGE	BAYVIEW SUITE	BOURNE LOUNGE
	<b>Decontamination from bench to bedside: Real or perceived risk?</b> Healthcare Infection Society  Chair: To be confirmed	<b>Addressing inequalities in AMR</b> British Infection Association  Chair: Kavita Sethi	<b>National Roll-out of BBV opt-out screening in the ED</b> Association for Laboratory Medicine  Chair: Lisa Berry	<b>OPAT – what’s new</b> British Society for Antimicrobial Chemotherapy  Chair: Sally Tipping
	Speakers to be confirmed	<b>13:45 – 14:15</b> <b>Understanding gender inequities in antimicrobial resistance</b> Deepshikha Batheja, Research Fellow, One Health Trust, UK  <b>14:15 – 14:45</b> <b>Strategies to ensure AMR solutions are accessible, equitable, and inclusive</b> Diane Ashiru-Oredope, Lead Pharmacist - AMR, UK Health Security Agency, UK  <b>14:45 – 15:15</b> <b>The challenges and opportunities in paediatric antimicrobial stewardship: Where to from here?</b> Alicia Demirjian, Clinical Lead, UK Health Security Agency, UK	<b>13:45 – 14:15</b> <b>BBV opt-out screening public health policy and pilot trial data</b> Rachel Hill-Tout, UKHSA clinical lead for BBV opt-out roll-out, UK  <b>14:15 – 14:45</b> <b>Laboratory perspectives on the BBV opt-out screening programme</b> Callum Goolden, Clinical Scientist, Department of Virology, Manchester Medical Microbiology Partnership, UK  <b>14:45 – 15:15</b> <b>Clinical perspectives on the BBV opt-out screening programme</b> Steve Taylor, Birmingham Heartlands HIV Service, UK	<b>13:45 – 14:15</b> <b>Antimicrobial Stewardship and OPAT</b> Andrew Seaton, NHS Greater Glasgow & Clyde, UK  <b>14:15 – 14:45</b> <b>Drug Stability &amp; OPAT - Where are we at &amp; What is next?</b> Mark Gilchrist, Imperial College Healthcare NHS Trust, UK  <b>14:45 – 15:15</b> <b>OPAT good practice recommendations</b> Ann Noble, Consultant in Infectious Diseases, NHS Lanarkshire, UK
15:15	EXHIBITION VIEWING AND REFRESHMENTS			
15: 45	SOLENT HALL	PURBECK LOUNGE	BAYVIEW SUITE	BOURNE LOUNGE
	<b>Infections in marginalised groups</b>  British Infection Association  Chair: Patrick Lillie	<b>Innovation and industry engagement in diagnostic labs</b>  Association for Laboratory Medicine  Chair: Naomi Gadsby	<b>Improving practice in clinical mycology - diagnostics, therapeutics and guidelines</b> BSMM/Microbiology Society  Chair: To be confirmed	<b>National outbreak response - dispatches from UKHSA’s emerging and epidemic infections directorate</b>  UKHSA Chair: Colin Brown

	<p><b>15:45 – 16:15</b> <b>Infections in the trans and non-binary community</b> Tara Suckak, Consultant in HIV / Sexual Health and Gender, Chelsea and Westminster Hospital NHS Foundation Trust, UK</p> <p><b>16:15 – 16:45</b> <b>Presentation title to be confirmed</b> Binta Sultan, Senior Clinical Research Fellow in Inclusion Health and Honorary Consultant in Inclusion Health, University College London, UK</p> <p><b>16:45 – 17:15</b> <b>Presentation title to be confirmed</b> Claire Mackintosh, Consultant Physician at NHS Lothian, UK</p>	<p><b>15:45 – 16:15</b> <b>Pathways for engagement between laboratory and industry</b> Magda Karlikowska, CEO Cytecom Ltd</p> <p><b>16:15 – 16:45</b> <b>Case study: industry and diagnostic lab partnership for developing new diagnostics, including novel AST</b> Stephen P Kidd, Principal Clinical Scientist in Microbiology and PI of the Molecular Diagnostics Hub, Hampshire Hospitals NHS Foundation Trust, UK</p> <p><b>16:45 – 17:15</b> <b>Speaker to be confirmed</b></p>	<p><b>15:45 – 16:15</b> <b>What can I do to improve my local diagnostic capacities in mycology</b> Alyssa Hudson, Royal Devon University Healthcare, UK</p> <p><b>16:15 – 16:45</b> <b>Advancing Therapeutics through R&amp;D in Medical Mycology</b> Elaine Bignell, MRC Centre for medical mycology at University of Exeter, UK</p> <p><b>16:45 – 17:15</b> <b>How will the new 2025 invasive candidiasis guideline change my practice?</b> Riina Rautemaa-Richardson, Senior Clinical Lecturer in Infectious Diseases and Medical Education, and Honorary Consultant Medical Mycologist, University of Manchester, and Manchester University NHS Foundation Trust, UK</p>	<p><b>15:45 – 16:15</b> <b>Summer, Salads and STEC</b> Gauri Godbole, Head of the Gastrointestinal Infections, Food Safety &amp; One Health Division, UKHSA, UK</p> <p><b>16:15 – 16:45</b> <b>C. auris - responding to the threat of healthcare endemicity in the UK</b> James Elston, Head of Incidents, Outbreaks and Infection Guidance within the Antimicrobial Resistance &amp; Healthcare Associated Infections Division; and Andy Borman, Acting Head, UKHSA National Mycology Reference Laboratory, UKHSA, UK</p> <p><b>16:45 – 17:15</b> <b>Increases in global viral haemorrhagic fever outbreaks - what it means for the UK'</b> Sherine Thomas, Consultant in Emerging Infections and Zoonoses within the Tuberculosis, Acute Respiratory, Zoonotic, Emerging and Travel Division, UKHSA, UK</p>
<b>17:15 – 18:15</b>	<p><b>FLASH POSTER TALKS AND POSTER VIEWING (EXHIBITION HALL)</b> <i>All talks are 3 minutes (plus 1 minute for questions)</i></p> <p><b>151 - A rare case of disseminated miliary tuberculosis involving an infra-thyroid abscess in a pregnant patient</b></p> <p><b>190 - Device-Associated Infections in Belgian Acute Care Hospitals: Findings from the 2022 National Point Prevalence Survey</b></p> <p><b>201 - Far from Home: A Mediterranean Worm's UK Appearance</b></p> <p><b>212 - Management of Community-Acquired Brain Abscess in the UK</b></p> <p><b>226 - SARS-CoV-2 Antibody Immunity Across Three Continents: the West Africa, West Indies, West London Consortium</b></p> <p><b>234 - Acquired fluconazole resistant Candida parapsilosis endocarditis</b></p> <p><b>244 - Spiroplasma Ixodetis: An emerging tick-borne infection. Human health implications and research priorities, following detection from ticks in the United Kingdom</b></p> <p><b>246 - Faecal lactoferrin as a biomarker for Clostridioides difficile infection and severity</b></p> <p><b>251 - A diagnosis in disguise and potential catastrophic implications: Amoebic colitis masquerading as Crohn's disease</b></p>			<p><b>COMPANY SYMPOSIUM (BAYVIEW SUITE)</b></p>
<b>19:30 – midnight</b>	<p><b>Social evening at ARUBA</b></p>			

THURSDAY 4 DECEMBER				
08:15	DELEGATE REGISTRATION WITH COFFEE AND EXHIBITION VIEWING			
09:00	SOLENT HALL			
	<b>JD Williams Lecture</b> <b>35 years of tropical microbiology</b> Christopher Parry, Visting Professor of Tropical Medicine, Centre for Tropical Medicine and Global Health, Nuffield Department of Medicine, University of Oxford			
10:00	EXHIBITION VIEWING AND REFRESHMENTS			
10:30 – 12:00	SOLENT HALL	PURBECK LOUNGE	BAYVIEW SUITE	BOURNE LOUNGE
	<b>Addressing winter pressures in the NHS</b> Healthcare Infection Society / UKHSA  Chairs: Jasmin Islam and Pat Cattini	<b>The imported fever service case book</b> British Infection Association / UKHSA  Chair: To be confirmed	<b>Vaccines: from development to deployment</b> UKCVN and Microbiology Society  Chair: To be confirmed	<b>Paediatric grand round</b>  BPAIG  Chair: To be confirmed
	<b>10:30 – 11:00</b> <b>Presentation title to be confirmed</b> Victoria Hall, <i>Consultant</i> Epidemiologist, UK Health Security Agency, AMR & Healthcare Associated Infections Division, UK  <b>11:00 – 11:30</b> <b>Presentation title to be confirmed</b> Julie Robotham, Head of Modelling and Evaluations, HCAI & AMR, UKHSA, UK  <b>11:30 – 12:00</b> <b>Presentation title to be confirmed</b> Clive Beggs, Emeritus Professor of Applied Physiology, Carnegie School of Sport, Leeds Beckett University, UK	<b>Panelists:</b> Christina Petridou, Claire Gordon, Tommy Rampling  <b>10:30 – 11:00</b> <b>From Asia to the ICU</b> Rebecca Houghton, ID & Microbiology Consultant, Hampshire Hospitals NHS Foundation Trust, UK  <b>11:00 – 11:30</b> <b>An uncultured intruder</b> Ameeka Thompson, Specialist Registrar in Infectious Diseases and Medical Microbiology, North Bristol NHS Trust, UK  <b>11:30 – 12:00</b> <b>Fetal medicine meets Global Health: A case of fetal brain anomalies with infectious clues</b> Lynne Warrander, Fetal Medicine Unit, St Mary's Hospital, Manchester University NHS Foundation Trust, UK	<b>10:30 – 11:00</b> <b>Measles vaccination in immunocompromised patients</b> Alex Richter, Director of the Clinical Immunology Services, Professor and Honorary Consultant in Clinical Immunology, University of Birmingham, UK  <b>11:00 – 11:30</b> <b>Gonococcal vaccine development</b> Susanne Hodgson, Clinician Scientist, Consultant Physician & Infection <b>Specialist</b> , Oxford University Hospitals NHS Foundation Trust, UK  <b>11:30 – 12:00</b> <b>Paediatric vaccination in secondary care</b> Kate O Hagan, Advanced Paediatric Nurse Practitioner, Alderhay Childrens Hospital, UK	  This interactive session will include case presentations by trainees and a panel discussion by experts in the field of paediatric infection.  <b>Case presenters:</b>  Rishi Raj Banerjee Specialty registrar in Infectious Diseases and Medical Microbiology, Royal Free London Group, UK  Erva Nur Cinar Paediatric Trainee and Clinical Research Fellow, Evelina London Children's Hospital, UK  <b>A dangerous game of tag: difficult decisions around colonisation</b> George Lawson Paediatric Registrar, UKHSA, UK

12:00	EXHIBITION VIEWING AND LUNCH			 <p><b>12.00: Trainee exam preparation and networking workshop (BOURNE LOUNGE)</b> Healthcare Infection Society</p>
13:00 – 14:15	SOLENT HALL	PURBECK LOUNGE	BAYVIEW SUITE	BOURNE LOUNGE
	FREE PAPERS 1	FREEW PAPERS 2	FREE PAPERS 3	Infectious Disease Futures Microbiology Society
	<p><i>All presentations are 8 minutes (plus 3 minutes for questions)</i></p> <p><b>116 - Development of a Quantitative Lateral Flow Assay for Vancomycin Therapeutic Drug Monitoring</b></p> <p><b>128 – A country’s battle with carbapenem-resistant Klebsiella pneumoniae: insights into epidemiology and novel treatment options from Greek ICUs</b></p> <p><b>150 - A Silent Threat: Understanding ESBL-KP Risk Factors in the Neonatal ICU</b></p> <p><b>238 - A national audit of antimicrobial prescribing in Critical Care Units in the United Kingdom</b></p> <p><b>240 - Penicillin Allergy Management in the NHS: A Novel Trust-Wide Implementation of R1 Independent Side-Chain Beta-lactam Prescribing to Enhance Antimicrobial Stewardship and Patient Outcomes</b></p> <p><b>267 - A Capability Framework for Antimicrobial Stewardship Specialists in the NHS</b></p>	<p><i>All presentations are 8 minutes (plus 3 minutes for questions)</i></p> <p><b>153 - Routine eye screening in candidaemia: current UK landscape and future directions</b></p> <p><b>168 - Safety and potent functional immunogenicity of a novel blood-stage P. falciparum malaria vaccine, R78C and RH5.1 with Matrix-M®, in UK adults in a Phase I trial</b></p> <p><b>170 - Sarcopenia is a Common and Overlooked Comorbidity in Pulmonary Tuberculosis</b></p> <p><b>173 - Post-TB care in the UK: cross-sectional analysis from a national survey</b></p> <p><b>216 - JN.1 Exposure as Vaccine or Infection During Autumn and Winter 2024 Induces Broad Neutralisation of Circulating SARS-CoV-2 Variants: KP 2.3, KP 3.1.1 and XEC</b></p> <p><b>225 - Primary CMV Infection in a Uterine Transplant Patient: Characterisation of the Immune Response to Guide Pregnancy Timing</b></p>	<p><i>All presentations are 8 minutes (plus 3 minutes for questions)</i></p> <p><b>40 - Pandemic-Associated Dysmicrobiosis: A Hidden Variable in Pediatric Vulnerability and Future Pandemic Preparedness</b></p> <p><b>96 - From big data to prediction: Applying machine learning for source attribution in a One Health approach, a case study on L. monocytogenes</b></p> <p><b>181 - Skin and soft tissue infections in UK Armed Forces populations – the past, the present and the future</b></p> <p><b>187 - Characterisation of Bloodstream Infections in a Large, Tertiary NICU in London: A Five-Year Retrospective Analysis</b></p> <p><b>195 - Increasing importance of the Streptococcus anginosus group as a cause of serious streptococcal infection in the UK: a retrospective longitudinal observational study</b></p> <p><b>258 - Amikacin and gentamicin resistance in neonatal and infant Enterobacterales bacteraemia: implications for empiric treatment in England (2017 to 2024)</b></p>	<p><b>12:45 – 14:15</b> <i>All presentations are 8 minutes (plus 2 minutes for questions)</i></p> <p><b>94 - Understanding the interaction between Streptococcus pneumoniae and respiratory syncytial virus in a novel controlled human infection model.</b></p> <p><b>108 - Nanopore in the Desert: Genomic Surveillance of Dengue Virus in Oman</b></p> <p><b>115 - Clindamycin resistance in group A Streptococcus in a tertiary Irish hospital.</b></p> <p><b>118 - Investigating Neutrophil Dynamics in Candida auris Biofilm Development</b></p> <p><b>193 - A multi-centre prospective study to evaluate the infectious complications in patients presenting to Irish hospitals after undergoing cosmetic procedures abroad, over a twelve month period</b></p> <p><b>223 - Oropouche Virus Reaches the UK: A Diagnostic Wake-Up Call for an Emerging Arbovirus</b></p> <p><b>A natural product cocktail derived from an “ancientbiotic” with enhanced activity against</b></p>

				<p><b>Staphylococcus aureus and Pseudomonas aeruginosa biofilms</b> Oluwatosin Orababa</p> <p><b>Adaptation of Campylobacter to Sodium Chloride Alters Phenotypes Associated with Human Disease</b> Elizabeth O'Gorman</p> <p><b>Studying Multi-Scale Infections using Cross-Scale Imaging</b> Liam Rooney</p>
<b>14:15</b>	<b>COMFORT BREAK</b>			
	<b>SOLENT HALL</b>	<b>PURBECK LOUNGE</b>	<b>BAYVIEW SUITE</b>	<b>BOURNE LOUNGE</b>
<b>14:25 15:55</b>	<p><b>Post/para infectious neurological manifestations'</b></p> <p>British Infection Association</p> <p>Chair: Samuel Moses</p>	<p><b>Artificial intelligence in clinical microbiology</b></p> <p>Healthcare Infection Association / Association for Laboratory Medicine</p> <p>Chair: To be confirmed</p>	<p><b>Implementing next generation sequencing: Possibilities &amp; challenges</b></p> <p>British Infection Association / Association for Laboratory Medicine / MHRA SoGAT</p> <p>Chair: Kate Templeton</p>	<p><b>Measles anywhere is a threat everywhere: lessons from cases and outbreaks in paediatrics</b></p> <p>BIA / HIS</p> <p>Chairs: Kavita Sethi and Nabeela Mughal</p>
	<p><b>14:25 – 14:55</b> <b>LETM (longitudinally extensive transverse myelitis) following adenoviral infection</b> Ana Karen Campos Hernandez , East Kent Hospitals University NHS Foundation Trust, UK</p> <p><b>14:55 – 15:25</b> <b>Acute cerebellitis following primary EBV infection</b> Silas Danielraj Joshua Muthuchand, Medical Registrar, Tunbridge Wells Hospitals, UK</p> <p><b>15:25 – 15:55</b> <b>Post/para infectious neurological manifestations: A topic update</b> Samuel Moses, East Kent Hospitals University NHS Foundation Trust, UK</p>	<p><b>14:25 – 14:55</b> <b>From clinical routine data to early sepsis detection: Insights from the Swiss personalised sepsis study</b> Catherine Jutzeler, Professor of Biomedical Data Science ETH Zurich, Switzerland</p> <p><b>14:55 – 15:25</b> <b>Use of machine learning to predict AMR in Gram negative bloodstream infections</b> David Eyre, Professor of Infectious Diseases, University of Oxford, UK</p> <p><b>15:25 – 15:55</b> <b>Using artificial intelligence in surgical site infection surveillance</b> Melissa Rochon, SSI Lead for Surveillance, Research and Innovation, Surveillance and Innovation Unit, Directorate of Infection, Guy's and St Thomas' NHS Foundation Trust, UK</p>	<p><b>14:25 – 14:55</b> <b>Targeted next generation sequencing for diagnosis of infection and detection of AMR</b> Ian Butler, Lead Clinical Scientist/HSST Barts Health NHS Trust, UK</p> <p><b>14:55 – 15:25</b> <b>Advances in diagnostic approaches for diagnosis of viral infections in the UK and Uganda</b> Emma Thomson, University of Glasgow, UK</p> <p><b>15:25 – 15:55</b> <b>Role of SoGAT in accreditation and standardisation of High Throughput (NGS) sequencing: tales from reference materials</b> Jacqueline Fryer, MHRA</p>	<p><b>14:25 – 14:55</b> <b>A case of severe measles in late pregnancy: Perinatal management and infection control considerations</b> Andrew Owusu-Agyei, Leeds Teaching Hospitals NHS Trust, UK</p> <p><b>14:55 – 15:25</b> <b>Acute Trust measles response- lessons learnt</b> Hester York, Consultant in Paediatric Emergency Medicine, Chelsea and Westminster Hospital, UK</p> <p><b>15:25 – 15:55</b> <b>UKHSA Measles community and acute response</b> Nalini Iyanger, UKHSA, UK</p>

16:00	SOLENT HALL	
	<p>CLOSING CEREMONY</p> <p>David Partridge, FIS International 2025 Conference Chair</p>	
16:10	CLOSE OF CONFERENCE
