

THURSDAY 14 MARCH 2024

09:20 DELEGATE REGISTRATION AND EXHIBITION VIEWING

Chair: *Dr Gordon Blair, BIASP Trainees' Subcommittee Chair*

09:50 Welcome and Introductions

Ideal Care for Intracerebral Haemorrhage

10:00 *Dr Jatinder Minhas, Clinical Associate Professor of Stroke Medicine / Honorary Consultant Stroke Physician, University of Leicester*

The Underlying Causes of Intracerebral Haemorrhage and How to Treat Them

10:40 *Dr Neshika Samarasekera, Consultant Neurologist and Stroke Physician, NHS Lothian*

11:20 MORNING BREAK AND EXHIBITION VIEWING

Understanding CT and MR Imaging in Stroke

11:40 *Professor Andrew Farrell, Honorary Professor of Neuroimaging and Education, University of Edinburgh*

Angiographic Imaging and use of AI tools in assessment for thrombectomy

12:20 *Dr Anna Podlasek, University of Dundee*

13:00 LUNCH AND EXHIBITION VIEWING

Chair: *Dr Shyam Kelavkar, BIASP Trainees' Subcommittee Chair Elect*

Developing an Acute Stroke Service

13:50 *Dr Matthew Lambert, Consultant Stroke Physician and Geriatrician, NHS Tayside, Scotland National Clinical Lead for Stroke and Stroke Specialty Advisor to the Chief Medical Officer*

Assessment and Rehabilitation of Visual Disorders after Stroke

14:30 *Dr Claire Howard, Stroke Specialist Orthoptist, Salford Royal NHS Foundation Trust*

15:10 AFTERNOON BREAK AND EXHIBITION VIEWING

Chair: *Dr Shyam Kelavkar, BIASP Trainees' Subcommittee Chair Elect*

The Stroke Association

15:30 *Stroke Association Universal Support for Stroke Survivors; Patient Reported Experience Measures; Stroke Survivors Perspective*

Student Essay Prize Winner Talk

16:10 *Alisha Khan*

CADASIL and Genetic Stroke

16:20 *Professor Keith Muir, University of Glasgow*

17:00 CLOSE OF CONFERENCE

Thursday 14 & Friday 15
March 2024

South Hall Complex, Pollock
Halls
University of Edinburgh
18 Holyrood Park Road
Edinburgh
EH16 5AR

FRIDAY 15 MARCH 2024

08:30 DELEGATE REGISTRATION AND EXHIBITION VIEWING

Chair: *Dr Joseph Pybus, BIASP Trainees' Subcommittee*

09:10 Welcome and Introductions

Functional Disorders for Stroke Physicians

09:15 *Dr Ingrid Hoeritzauer, Consultant Neurologist and NRS Fellow, NHS Lothian*

09:55 Assessment and Management of Spasticity after Stroke

Dr Alyson Nelson, Consultant in Rehabilitation Medicine, NHS Lothian

10:35 MORNING BREAK AND EXHIBITION VIEWING

Chair: *Dr Chaamanti Menon, BIASP Trainees' Subcommittee*

Stroke Prevention

10:55 *Professor Jesse Dawson, Professor of Stroke Medicine, University of Glasgow*

Trainee Involvement in Stroke Research

11:35 *Professor Christopher Price, Professor of Stroke and Applied Health Research, University of Newcastle and NIHR National Specialty Lead for Stroke*

12:15 LUNCH AND EXHIBITION VIEWING

Chair: *Dr Stewart McKenna, BIASP Trainees' Subcommittee*

13:05 Hyperacute Ischaemic Stroke Care – State of the Art

Professor Christine Roffe, Professor of Stroke Medicine, Keele University

Assessing Cognition in Stroke – Confusing?

13:45 *Professor Terry Quinn, Professor of Cardiovascular Ageing, University of Glasgow*

14:25 AFTERNOON BREAK AND EXHIBITION VIEWING

Chair: *Dr Gordon Blair, BIASP Trainees' Subcommittee Chair*

Assessment and Rehabilitation of Language Problems

14:45 *Caitlin Longman, Stroke Association Accessibility Lead and Speech and Language Therapist*

Migraine and Stroke: Pearls and Pitfalls

15:25 *Dr Tracey Baird, Consultant Neurologist, NHS Greater Glasgow and Clyde*

16:05 CLOSE OF CONFERENCE

SPEAKER BIOGRAPHIES

Dr Jatinder Minhas

Dr Minhas is Clinical Associate Professor of Stroke Medicine and Honorary Consultant Stroke Physician at the University of Leicester. He leads and collaborates on a number of clinical and physiologically focused stroke studies and has a particular interest in intracerebral haemorrhage.

Dr Neshika Samarasekera

Dr Samarasekera is a Consultant Neurologist and Stroke Physician at NHS Lothian and NRS Research Fellow and Stroke Association Senior Clinical Lecturer. Dr Samarasekera's research interest is in the epidemiology, causes and the effects of intracerebral haemorrhage on patients and on the brain.

Professor Andrew Farrell

Prof. Farrall is a Consultant Neuroradiologist and Honorary Professor of Neuroimaging and Education, University of Edinburgh. Prof Farrall's main research interest is in how imaging can be applied to the investigation of stroke, small vessel disease & the ageing process. Prof Farrall is Programme Director of the Edinburgh Imaging Academy, which delivers imaging related degree programmes at the University of Edinburgh

Dr Anna Podlasek

Dr Podlasek is a GP with Special Interest in Stroke from Nottingham. Dr Podlasek works with Prof Iris Grunwald's group at the University of Dundee.

Dr Matt Lambert

Dr Lambert is a Consultant Stroke Physician and Geriatrician, working in NHS Tayside and is Scotland's National Clinical Lead for Stroke and the Stroke Specialty Advisor to the Chief Medical Officer

Dr Claire Howard

Dr Howard is a clinical academic orthoptist, a neuro/stroke specialist orthoptist in the Manchester Centre for Clinical Neurosciences based at Salford Royal hospital, part of Northern Care Alliance NHS Foundation Trust; an honorary senior lecturer in research (University of Salford), honorary research fellow (University of Liverpool) and a clinical research fellow in the NCA Centre for Clinical and Care Research. She is a DVLA medical advisory panel member for vision disorders and the Greater Manchester hub lead for the Council for Allied Health Professions Research (CAHPR).

Dr Howard's research interests include post stroke visual impairment, driving, adaptation to visual impairment, hemianopia, blindsight and brain injury. Her research methodologies include mixed methods, observational studies, consensus methods, clinical validation studies and randomised control trials.

**Version: 14/03/2024 10:02:43****Dr Ingrid Hoeritzauer**

Dr Hoeritzauer is a consultant neurologist with an interest functional neurological disorders, holds an NRS Fellowship and is a principal investigator of the Functional Neurological Disorders Research Group at the University of Edinburgh

Dr Alyson Nelson

Dr Nelson is a Consultant in Rehabilitation Medicine at the Astley Ainslie Hospital in Edinburgh. Dr Nelson runs a specialist multidisciplinary spasticity management clinic treating patients with spasticity due to a range of neurological conditions

Prof Jesse Dawson

Professor Dawson is Professor of Stroke Medicine at the University of Glasgow and Consultant Physician in the Queen Elizabeth University Hospital. Prof Dawson's research portfolio includes clinical trials in prevention and rehabilitation in stroke survivors

Prof Chris Price

Chris Price is Professor in Stroke and Applied Health Research at Newcastle University, NIHR National Stroke Lead and Deputy Director of the NIHR Applied Research Collaboration (ARC) for North East North Cumbria. He is chief investigator of academic and industry collaborators to evaluate and implement interventions seeking to improve delivery of emergency stroke treatments

Prof Marian Brady

Prof Brady is the research group lead for living with stroke in the Nursing, Midwifery and Allied Health Professions Research Unit at Glasgow Caledonia University. Prof Brady's research interests include therapeutic interventions (for example speech and language therapy for people with aphasia), basic care issues (for example incontinence, oral health care), and interventions that address the needs of stroke survivors as they adapt to life after stroke (for example returning to work, psychosocial issues).

Prof Terry Quinn

Professor Quinn holds the post of David Cargill Chair of Geriatric Medicine and Honorary Consultant Physician in Stroke and Geriatric Medicine at the University of Glasgow. Prof Quinn has a broad research portfolio, his principal research interests are around trial methodology, functional assessment and neuropsychological consequences of cardiovascular disease. Prof Quinn held the inaugural Chief Scientist Office/Stroke Association Priority Program Grant for his research into cognitive outcomes following stroke

Prof Christine Roffe

Professor Roffe is Professor of Stroke Medicine at Keele University. Prof Roffe leads the UK NIHR Hyperacute Stroke Research Centre Oversight Group. Prof Roffe's research interests are acute and hyperacute interventions for stroke and prevention of stroke complications such as hypoxia and pneumonia
