Online Presence

The screenshot shows the website for the Coventry City of Languages. At the top is the Warwick University logo and a search bar. Below is a navigation menu with links to 'Coventry - City of Languages', 'Applying to study', 'Current Students', 'Research', 'News & events', 'People', 'About us', and 'Virtual Year Book'. The main heading is 'Coventry - City of Languages'. Underneath, there's a section 'What is this?' describing the Coventry MFL Hub as a group of teachers working with the city's two universities. This is followed by 'Why it matters?' explaining the importance of language knowledge in the 21st century. A section 'We have four main areas of activity:' is partially visible. On the right, there's a circular logo for the 'COVENTRY MFL HUB' featuring flags, and a box for 'Partner Schools and Organisations' which includes the 'WMG Academy for Young engineers Coventry' logo. Two images are shown at the bottom left: one of a woman with speech bubbles containing 'Hallo', 'Hola', 'Bonjour', 'Hello', and 'Ola'; the other of three women smiling.
