**For your employer branding
& talent recruitment!**

BCF Career is the largest Life Sciences career event in the Netherlands since 2005, offering an unparalleled opportunity to connect with thousands of highly skilled job seekers. Our event attracts a diverse range of students and professionals in the field of Life Sciences (Bio, Chemistry, Food, Pharma). Exhibiting at BCF Career Event gives companies the chance to showcase their brand, network with potential candidates and promote job opportunities.

*"BCF Career Event is unique as it's the only career fair
specifically tailored for the chemistry and life sciences
sectors. We have visited the BCF Career Event for each
of the 20 editions and will continue to do so in the
future."*
