Global Investor Forum | 25 March 2026 | Utrecht, The Netherlands

Join us on March 25, 2026, in Utrecht the HH Global Investor Forum (GIF), the event that facilitates private capital match with promising investment ready Life Sciences start-ups. At GIF, around 30 start-ups will pitch their company to an audience of investors and industry leaders to showcase their innovation. Out of all the start-ups presenting, 9 were selected by investor panels to pitch during Innovation for Health. Grow your network, find capital, and have one-on-one meetings that could lead to successful partnerships. Register today! <https://www.hyphenprojects.nl/gif/registration>
