Shaping the Future of Healthcare

Innovation for Health

Global Investor Forum

Joining Forces to Shape the Future of Healthcare!

On 2-3 April 2025 Innovation for Health (I4H) and Global Investor Forum (GIF) will bring together the key players and leaders from the Health and Life Sciences ecosystem.

From innovators to investors, from policy makers to patient representatives, from scientists to start-ups, Innovation for Health and Global Investor Forum unite all key stakeholders in Health and Life Sciences.

On the first day, 2 April, at I4H Global Investor Forum, investment-ready start-ups will pitch to an audience of 100+ investors and other key players in the sector, offering an excellent platform for leading investors, start-up founders, and CEOs of innovative companies to connect and explore investment opportunities and to expand and strengthen their business network for future partnerships.

On the second day on 3 April, Innovation for Health will bring together more than 700 high-level attendees and showcase over 70 speakers and 50 exhibitors. I4H is the main Dutch platform where key stakeholders in Health & Life Sciences come together to share insights, catch up on the latest developments, strengthen their network and make new connections.

Let's join forces to accelerate the development and implementation of healthcare innovations and shape the future of healthcare together.

“From engaging discussions on the latest healthcare innovations to insightful panels led by industry leaders, this event proved to be an invaluable source of knowledge and inspiration and truly uplifting to be immersed in such a vibrant and forward-thinking community!”

"The place to be for learning, sharing and connecting with people in the Health and Life Science landscape. You are guaranteed to be inspired in this setting."

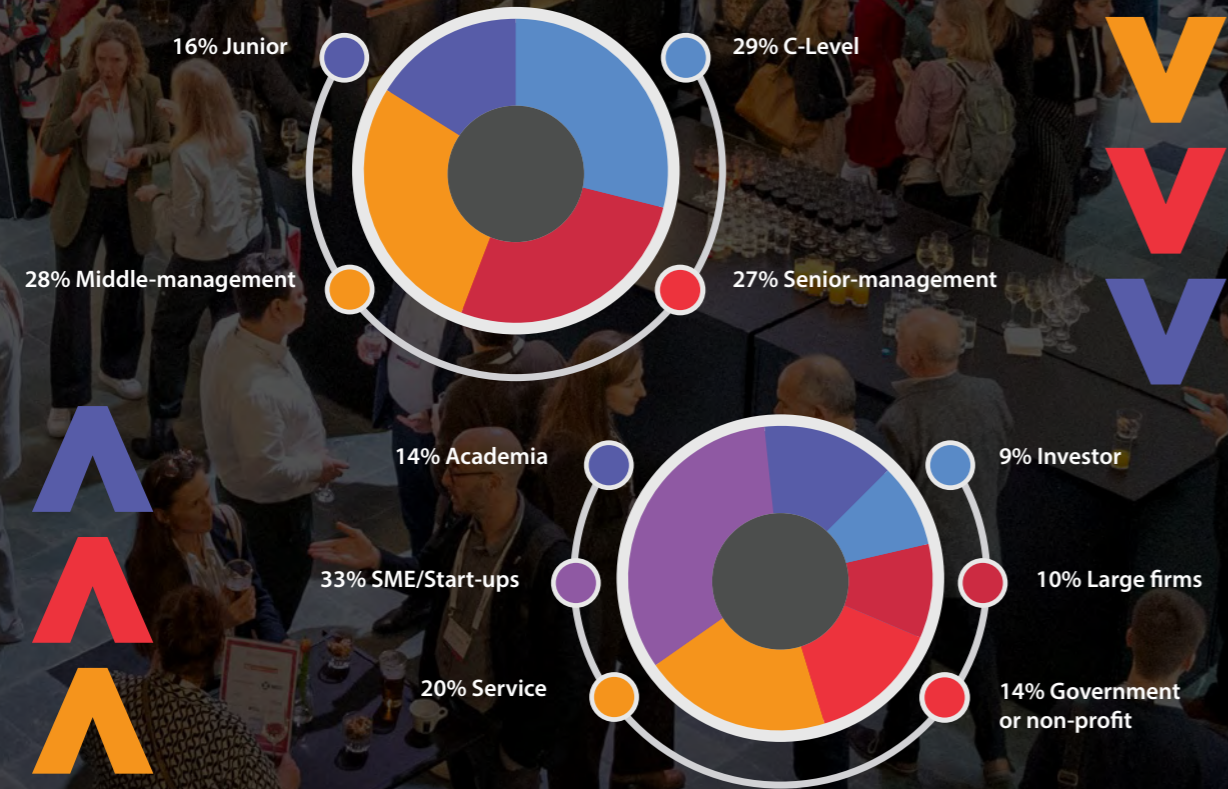

Participant I4H2024

Who will you meet?

I4H is one of the best-attended and best-appreciated conferences in the Netherlands of its kind. The majority of the attendees of this conference are decision-makers in their company or department.

More than half are C-level or senior management!

“Innovation for Health gave us the opportunity to meet with a wide variety of highly relevant stakeholders, from both the industry and academia.”

partneringONE®

Partnering at Innovation for Health

Innovation for Health is joining forces with EBD Group to offer our attendees the partneringONE™ platform as a powerful partnering tool to turn connections into successful collaborations.

With this partnering system, you can easily find potential partners, connect with them, and schedule 1-to-1 meetings for during the conference, all within a single platform.

On 1 March the partnering systems opens. Register on time to make the most out of the partnering solution.

Global Investor Forum 2025
GIF: 2 April 2025 | Rotterdam Science Tower

I4H Global Investor Forum has become a yearly tradition where young start-up and scale-up companies can take the stage and present themselves to investors and other key partners in Life Sciences & Health.

On 2 April 2025, start-up companies in the field of Biotech, Medtech, AI & Digital will present their pitches, connecting with potential investors and collaborators to drive their ideas forward. On 3 April 2025, during Innovation for Health, the best 9 start-ups will present themselves in the start-up pitch contest and the best pitch is awarded the Innovation for Health Start-up Pitch Award 2025, sponsored by Axon Lawyers and co-sponsored by F.INSTITUTE.

Many investors will have dedicated tables for one-on-one meetings during Innovation for Health. You can request a meeting with them through the partneringONE™ platform.
