

## **TOPX Summit 2025 – Text for Newsletters**

### **TOPX Summit | 13–14 November 2025, Leiden & Utrecht**

Join us for the TOPX Summit, where ambitious professionals from industry, academia, government, and non-profits come together to shape the future of Life Sciences & Health. This year's theme, *“Leading Together, Leading Together in Life Sciences & Health Building High-Performing Teams to Drive Innovation and Benefit Society”* explores how inclusive leadership and high-performing teams can drive innovation and benefit society. Expect two days of inspiring keynotes, deep dives, panels, workshops, and unique networking opportunities. [Register today!](#)
