Date: 26 March 2026

Location: Jaarbeurs | Utrecht, The Netherlands

Join us on 26 March, 2026, in Utrecht for the 13th edition of Innovation for Health, the leading event in Health & Life Sciences. This year's theme, *Bridging the Gap*, will bring together 800+ innovators, entrepreneurs, scientists, investors, and policymakers to accelerate the development of healthcare solutions that will shape the future.

Why attend?

Innovation for Health 2026 is a must-attend event for anyone looking to stay ahead of the latest of the latest trends in healthcare innovation. Attendees will gain insights from industry experts who are shaping the future of Health and Life Sciences. It is also a great opportunity to meet and connect with key players across the industry, from innovators and investors to policymakers and thought leaders.

Strengthen your network and build new collaboration by interacting with attendees and exhibitors during the full day program!

Event highlights

- Engaging program featuring the latest trends and advancements in the Life Sciences landscape
- Interactive sessions and workshops designed to foster collaboration and knowledge exchange among attendees
- Networking opportunities throughout the day, including access to an exclusive VIP dinner
