## **LDDC-FIGON Dutch Medicines Days 7 – 8 October 2026 | Leiden**

*Innovate. Translate. Cure.*

FIGON [Dutch Medicines Days](#) and [Leiden Drug Development Conference](#) join forces in 2026!

This joint event brings together professionals in pharmaceutical sciences to exchange the latest research, share insights, and foster collaboration at both regional and international levels. The 2026 edition, themed “*Innovate. Translate. Cure.*”, is organized by FIGON in collaboration with the Leiden Drug Development Conference, reflecting a shared commitment to advancing science and improving healthcare.

The program features plenary lectures, an exhibition floor showcasing companies active in the field, interactive parallel sessions, industry innovation slots, poster presentations, and a PhD student competition, offering something for everyone engaged in the future of medicine.

Join us on October 7-8, 2026, at the Corpus Congress Centre in Leiden as we advance the future of drug development!
