Innovation for Health 2026

26 march 2026 | Jaarbeurs Utrecht

Calling start-ups & scale-ups! Pitch & Connect with key players in Life Sciences & Health

The Global Investor Forum has become a yearly tradition where young start-up and scale-up companies can take the stage and present themselves to investors and other key partners in Life Sciences & Health.

We have room for 30 start-up companies during Global Investor in the field of Biotech, MedTech, AI & Digital to:

- Practice your pitch in front of a targeted audience before the big day
- Present your innovation to investors and open the door to funding and partnerships.
- Engage directly with investors who are eager to hear your story and explore collaboration.
- Boost your entrepreneurial skills with our programme sessions designed to help you succeed.
- Connect with industry leaders and fellow innovators at the Innovation for Health event.

**BRIDGING
THE GAP**

Bridging the Gap - From Idea to Innovation & from Patent to Patient!

On 25-26 March 2026 Innovation for Health and Global Investor Forum will bring together the key players and leaders from the Health and Life Sciences ecosystem.

From innovators and investors to policy makers, executives, business developers and tech transfer managers, patient advocates, scientists, and start-ups, Innovation for Health and Global Investor Forum unite all stakeholders who are driving change and innovation in Life Sciences and healthcare.

Join us as we bridge the gap from idea to innovation—accelerating the development, funding, and adoption of impactful healthcare solutions. Let's shape the future of health, together.
