

TOPX Summit 2025 – Text for event calendars

Date: 13 – 14 November, 2025

Location: CORPUS Congress Centre, Leiden | Accelerator, Utrecht

On 13–14 November 2025, the TOPX Summit will bring together hundreds of strong and talented professionals from industry, academia, governmental and non-profit organisations, all driven by the shared ambition of rising to the top and becoming the inclusive leaders our sector needs to advance innovation in Life Sciences & Health.

The 2025 theme, *“Leading Together in Life Sciences & Health: Building High-Performing Teams to Drive Innovation and benefit Society”* will delve into how we can embed diversity, equity, and inclusion into the very fabric of our teams and organizations to create high-performing, innovative environments.

The 2-day programme will feature inspiring keynote speakers, interactive panel conversations, hands on workshops, deep dives, award ceremonies and unparalleled networking opportunities.

Event highlights

- Inspiring talks from visionary leaders
- Insightful sessions & deep dives
