LDDC-FIGON Dutch Medicines Days | 7-8 October 2026, Leiden
Innovate. Translate. Cure.

Join leading experts in pharmaceutical sciences at the Dutch Medicines Days, a two-day event organized by [FIGON](#) in collaboration with the Leiden Drug Development Conference <https://www.hyphenprojects.nl/lddc/>. This event features inspiring plenary talks, interactive sessions, a PhD competition, and valuable networking opportunities. Taking place at the [Corpus Congress Centre](#) in Leiden, it promises to be a key gathering for professionals in drug innovation.
