**Innovation for Health | 26 March 2026 | Utrecht, The Netherlands**

Join us on March 26, 2026, in Utrecht for a premier event focused on driving healthcare innovation. This year's theme, "Bridging the Gap - From Idea to Innovation & from Patent to Patient", focuses on accelerating the development, funding, and adoption of impactful healthcare solutions. With 800+ experts, entrepreneurs, and investors in attendance, this is your chance to explore breakthroughs, exchange insights, and build meaningful partnerships. See the full program [here](#). Register today!
