PROGRAMME DAY TWO - 8 OCTOBER

**DUTCH
MEDICINES
DAYS**

09:00 - 09:30	Welcome & Coffee			
09:30 - 10:45	Plenary Opening Programme - Plenary Room Opening by Prof Laura Heitman (Chair of DMD2026) and Prof Klaas Poelstra (Chair of FIGON) Welcome Speech by Esther Peters , Director of Leiden Bio Science Park Keynote Presentation by Adam Stoten , Evotec Keynote Presentation by Prof. Annemieke Aartsma-Rus , Leiden University			
10:45 - 11:15	Coffee Break			
Plenary Room	Room 1	Room 2	Room 4	Penthouse (8th floor)
Human Diversity in Drug Responses: From Insight to Precision Medicine 11:15 - 12:30	From Structural Insight to Therapeutic Design 11:15 - 12:30	Becoming Funding-Ready 11:15 - 12:30	Scaling Cell Therapy in Europe From Early Discovery to Commercialization Use of AI in Clinical Trial Design and Optimization 11:15 - 12:30	From Mechanism to First-in-Human: Immunopharmacology Today 11:15 - 12:30
12:30 - 13:30	Lunch Break & Poster Presentations			
PhD Student Competition I 13:30 - 14:45	Next Generation Preclinical Science: AI and Beyond 13:30 - 14:45	Lipids and Lipoproteins in Drug Discovery and Therapeutic Innovation 13:30 - 14:45	The Closer, The Better: ChemoGell™ From scientific innovation to patient impact 13:30 - 14:45	The Netherlands as a Hotspot for Clinical Research? From International Positioning to Local Feasibility 13:30 - 14:45
14:45 - 14:55	Short Break			
PhD Student Competition II 14:55 - 16:10	Discovering Your Future: Career Opportunities in the Pharmaceutical Field 14:55 - 16:10	From Data To Decisions: Leveraging RWD, Virtual Humans, AI and Beyond! 14:55 - 16:10		Pharmacological Regeneration of Tissues 14:55 - 16:10
16:10 - 16:30	Coffee Break			
16:30 - 17:45	Plenary Closing Programme - Plenary Room Keynote Presentation Conny Helder , Health Holland & FAST FIGON Douwe D. Breimer Distinguished Pharmaceutical Scientist Award - Henk-Jan Guchelaar , LUMC			
17:45 - 18:45	Networking Drinks			
19:00 - 21:00	Conference Walking Dinner @BioPartner 5			

08:30- 09:00	Welcome & Coffee			
09:00- 10:15	Plenary Opening Programme - Plenary Room Opening by Prof Laura Heitman (Chair of DMD2026), Prof Klaas Poelstra (Chair of FIGON) and Prof dr Marlies Reinders (on behalf of LDDC) Keynote Presentation by Prof. Luc Brunsveld , TU Eindhoven Keynote Presentation by Audrey Derobertmasure , Paris Cité University			
10:15- 10:45	Coffee Break			
Plenary Room	Room 1	Room 2	Room 4	Penthouse (8th floor)
Pharmaceutical Sciences in the Dutch Sectorplan Bèta-II: Status and Future Perspectives 10:45 – 12:00	Innovate: Organoid Technologies in Precision Treatment Optimization 10:45 – 12:00	PharmaNL Infrastructure 10:45 – 12:00	Medicine Shortages in the Netherlands 10:45 – 12:00	Translational Innovation with Industry: From Mechanism to Medicine 10:45 – 12:00
12:00 - 13:00	Lunch Break & Poster Presentations			
Innovation and Affordability Hand in Hand 13:00 - 14:15	Translate: From Research to Improved Patient Care 13:00 - 14:15		What Does it Take to Start a Biotech? From Scientific Discovery to Company Creation 13:00 - 14:15	Oligonucleotides as Treatment Strategy 13:00 - 14:15
14:15 - 14:30	Short Break			
LED3: From Collaborative Discovery to Novel Therapeutic Candidates at Leiden University 14:30 - 15:45	Cure: Innovation in Pharmaceutical Patient Care 14:30 - 15:45	Accelerating Academic Therapy Development for Rare Diseases 14:30 - 15:45	Lifelong Learning in the Pharma & Biotech Sector 14:30 - 15:45	Talent & Carrière Programma Laboratorium Techniek Powered by Johnson & Johnson 14:30 - 17:30 in het nederlands
15:45 - 16:15	Coffee Break			
16:15 - 17:35	Plenary Closing Programme - Plenary Room Panel Discussion led by Hans Schikan , Chairman, Board member, with Luc Brunsveld, TU Eindhoven; Jolanda Lamers-Lemmers, STARoDub; Michel van Agthoven, Johnson & Johnson and Joost Kreijtz, Trained Therapeutix Discovery PhD Student Competition & Award Ceremony - Top 3 Pitches Poster Award Ceremony			
17:35 - 18:30	Networking Drinks			

**LEIDEN
DRUG DEVELOPMENT
CONFERENCE**
