

ICC Best Poster Awards at the 8th International Whole Grain Summit

ICC is pleased to sponsor **two Best Poster Awards** which represent innovative or exceptional work in whole grain **research, technology, increasing use and availability of whole grain products.**

Prize money: **500€ each**

An **international jury** will evaluate the posters presented during the 8th International Whole Grain Summit in Detmold, Germany from 31 March – 2 April 2025.

Purpose

Two scientists will receive an award for their exceptional work.

One Award is given in the category “Whole Grains Research and Technology”
One Award is given in the category “Increasing Use / Availability of Whole Grain Products”

Eligibility

Candidates for the awards must be full-time postgraduate students or full-time researchers (either current or up until the date of the conference, April 2025). Proof of current status may be requested from university or research center. Posters qualifying for the award must depict original research work performed by the student/researcher

Composition of the Jury

The Jury will comprise independent, respected whole grains researchers.

Criteria for selection of the Laureates

The selection will be based on the originality, the scientific merit and the expected outcomes for the advance whole grains, as well as the quality of presentation of the poster.

Announcement of the Laureates

The names of the recipients will be announced at the WGS25.
The presence of the laureates to receive their award is expected.

Payment of the Awards

An electronic transfer will be arranged by ICC.
