Session 1: Colorectal Cancer Session

Chairpersons: Fateen, Amr
Ponsiano, Ocamia
Wifi, Professor Mohamed-Naguib
Khaled, Prof. Medical Oncology Hussein
Mostafa, Professor Ibrahim
Suliman, Prof Suleiman Hussein

Date: Tuesday, June 4, 2024
From: 12:30 **To:** 14:00
Room: 4P

12:30:00 - 12:40:00 Colorectal Cancer 1. Magnitude of the Problem 2. Incidence 3. Prevalence 4. Risk Factors 5. Timing of the diagnosis 6. Gender Disparity 7. Age Disparity 8. Locations in Colon 9. Screening: present or not, and types of screening tests 10. Stool tests: present or not, and types of tests 11. Areas of cooperation: Training - Registry

Jesse Otegbayo University College Hospital, Ibadan

12:40:00 - 12:50:00 Colorectal Cancer 1. Magnitude of the Problem 2. Incidence 3. Prevalence 4. Risk Factors 5. Timing of the diagnosis 6. Gender Disparity 7. Age Disparity 8. Locations in Colon 9. Screening: present or not, and types of screening tests 10. Stool tests: present or not, and types of tests 11. Areas of cooperation: Training - Registry

Ntirenganya Cyprien Rwanda Military Hospital

12:50:00 - 13:00:00 Colorectal Cancer 1. Magnitude of the Problem 2. Incidence 3. Prevalence 4. Risk Factors 5. Timing of the diagnosis 6. Gender Disparity 7. Age Disparity 8. Locations in Colon 9. Screening: present or not, and types of screening tests 10. Stool tests: present or not, and types of tests 11. Areas of cooperation: Training - Registry

Paul Talla General hospital Yaoundé

13:00:00 - 13:10:00 Colorectal Cancer 1. Magnitude of the Problem 2. Incidence 3. Prevalence 4. Risk Factors 5. Timing of the diagnosis 6. Gender Disparity 7. Age Disparity 8. Locations in Colon 9. Screening: present or not, and types of screening tests 10. Stool tests: present or not, and types of tests 11. Areas of cooperation: Training - Registry

Kpoussou Aboudou Raïmi University Of Abomey-calavi

- 13:10:00 - 13:20:00 Colorectal Cancer 1. Magnitude of the Problem 2. Incidence 3. Prevalence 4. Risk Factors 5. Timing of the diagnosis 6. Gender Disparity 7. Age Disparity 8. Locations in Colon 9. Screening: present or not, and types of screening tests 10. Stool tests: present or not, and types of tests 11. Areas of cooperation: Training - Registry
**Late Mawuli Lawson-Ananissoh Hepato-gastroenterology Department
Of Campus Teaching Hospital**
- 13:30:00 - 13:40:00 Colorectal Cancer 1. Magnitude of the Problem 2. Incidence 3. Prevalence 4. Risk Factors 5. Timing of the diagnosis 6. Gender Disparity 7. Age Disparity 8. Locations in Colon 9. Screening: present or not, and types of screening tests 10. Stool tests: present or not, and types of tests 11. Areas of cooperation: Training - Registry
Hussein Khaled National Cancer Institute, Cairo University
- 13:40:00 - 13:50:00 Colonoscopy in Colorectal Cancer Presentation
Shaimaa ElKholy Faculty of Medicine Cairo University
- 13:50:00 - 14:00:00 Colonoscopy Training Present
**Ibrahim Mostafa Theodor Bilharz Research Institute / Wady El Nile
Hospital Hospital**
- 14:00:00 - 14:10:00 Colorectal Cancer 1. Magnitude of the Problem 2. Incidence 3. Prevalence 4. Risk Factors 5. Timing of the diagnosis 6. Gender Disparity 7. Age Disparity 8. Locations in Colon 9. Screening: present or not, and types of screening tests 10. Stool tests: present or not, and types of tests 11. Areas of cooperation: Training - Registry

GIT

Session 2: H. Pylori

Chairpersons: Fedail, Prof. Suliman
Karaki, Hassan
Mourad, Professor Ahmed
Fanous, Consultant of Gastroenterology &
Hepatology Nancy
Youssef, Tarek
Mostafa, Professor Ibrahim

Date: Tuesday, June 4, 2024
From: 14:00 **To:** 15:30
Room: 4P

14:00:00 - 14:10:00 H. Pylori Session: Magnitude of the Problem 2. Incidence 3. Risk Factors 4. Gender Disparity 5. Age Disparity 6. Diagnosis 7. Antibodies 8. Stool Antigen 9. Endoscopic Biopsy 10. Types of antibiotics and periods of management 11. Any area of research - Registry - Resistance of antibiotics

Jesse Otegbayo University College Hospital, Ibadan

14:10:00 - 14:20:00 H. Pylori Session: Magnitude of the Problem 2. Incidence 3. Risk Factors 4. Gender Disparity 5. Age Disparity 6. Diagnosis 7. Antibodies 8. Stool Antigen 9. Endoscopic Biopsy 10. Types of antibiotics and periods of management 11. Any area of research - Registry - Resistance of antibiotics

Ntirenganya Cyprien Rwanda Military Hospital

14:20:00 - 14:30:00 H. Pylori Session: Magnitude of the Problem 2. Incidence 3. Risk Factors 4. Gender Disparity 5. Age Disparity 6. Diagnosis 7. Antibodies 8. Stool Antigen 9. Endoscopic Biopsy 10. Types of antibiotics and periods of management 11. Any area of research - Registry - Resistance of antibiotics

Kpoussou Aboudou Raimi University Of Abomey-calavi

14:30:00 - 14:40:00 H. Pylori Session: Magnitude of the Problem 2. Incidence 3. Risk Factors 4. Gender Disparity 5. Age Disparity 6. Diagnosis 7. Antibodies 8. Stool Antigen 9. Endoscopic Biopsy 10. Types of antibiotics and periods of management 11. Any area of research - Registry - Resistance of antibiotics

Late Mawuli Lawson-Ananissoh Hepato-gastroenterology Department Of Campus Teaching Hospital

14:40:00 - 14:50:00 H. Pylori Session: Magnitude of the Problem 2. Incidence 3. Risk Factors 4. Gender Disparity 5. Age Disparity 6. Diagnosis 7. Antibodies 8. Stool Antigen 9. Endoscopic Biopsy 10. Types of antibiotics and periods of management 11. Any area of research - Registry - Resistance of antibiotics

Chiapo Lesetedi

14:50:00 - 15:00:00
