Welcome Message

Dear Colleagues,

I have the great pleasure and honor to announce the 6th Endocrine Update Program & the 25th Annual Scientific Summit of the Egyptian Association of Endocrinology, Diabetes & Atherosclerosis – EAEDA ENDO Summit 2019.

This year EAEDA ENDO Summit will be held in collaboration with The Endocrine Society (USA), from the 4th to 6th of November ,2020, in Hilton Helnan Palestine , Alexandria.

Our summit is considered on of the largest international Endocrine & diabetes Summit in the Middle East and Africa. In which Participating International speakers from the USA, Europe & Asia and International speakers from Egypt. Our scientific program and social event have been carefully weaved to spin a tale for each separate liking.

With all the best...

Prof. Fahmy Amara , M.D

President of the EAEDA

Welcome Message

Dear Colleagues,

It gives me great pleasure to extend to you all a very warm welcome on behalf of the 6th Endocrine Update Program & the 25th Annual Scientific Summit of the Egyptian Association of Endocrinology, Diabetes & Atherosclerosis – EAEDA ENDO Summit 2020.

This year EAEDA ENDO Summit will be held in collaboration with The Endocrine Society (USA), from the 4th to 6th of November ,2020, in Hilton Helnan Palestine , Alexandria.

We will all have the opportunity to participate in very active discussions and lectures by the world's top scientists and experts and to hear all the advances in our field.

And as one of Alexandria university faculty members I do have the honor of being the summit's chairman, trying to glow up the importance of sharing an insight into the recent updates and cutting edge researches, which gains immense interest with the colossal and exuberant presence of adepts, young and brilliant national members as well as national experts & international guest speakers. In order to exchange break-through ideas relating to endocrinology, Diabetes and Atherosclerosis, it promotes top level research in order to globalize the quality of our experience .

We're looking forward to an excellent summit with great scientists from different countries around the world and sharing new and exciting results together.

Best Regards

Prof. Talaat Abdel Aaty

Organizing Bodies

Organized by

The Egyptian Association of Endocrinology, Diabetes & Atherosclerosis (EAEDA)

In collaboration with

The Endocrine Society – USA

International Guest Speakers

(in alphabetical Order)

Ahdy Helmy – USA

Dr. Helmy went to Alexandria University School of medicine, where he did his first Medicine residency, had his master and Doctorate degrees, and served as a clinical instructor before moving to the US. There he did a second residency at Indiana University, a fellowship in Endocrinology and metabolism. Is triple boarded in Medicine, endocrinology and clinical lipidology. Active as a clinician, teacher and researcher. A recipient of many teaching awards, the author of many publications, a book chapter and a book.

Mario Skugor – USA

Staff physician at Cleveland Clinic

I graduated in 1986. I was research associate in Nuclear Medicine working (metabolic bone disease and thyroid cancer) and finished residency program in 1993.

From 1993-1997 I was at Ohio State University as researcher in the Bone and Mineral Metabolism Laboratory. In 1997 I started Internal Medicine residency program and served as a chief

resident. Endocrinology fellowship in Cleveland Clinic was from 2000-2002. I was associated director of Endocrinology, fellowship program 2009-2011.

I am associate professor of medicine and director of PBL case development at CCLCM of CWRU, and hold the Katherine and Ed Lozick chair in Endocrinology and Metabolism

Nabil Elnagar – KSA

Diabetologist & Head of Diabetes Center, Hai Aljamea Hospital.

Chairman of Jeddah Diabetes Club.

Chairman of Jeddah Hypertension and Atherosclerosis Club.

Head of CME Committee of Hai AlJamea Hospital, Jeddah.

Raul D. Santos – Brazil

He is the President (2019-2021) of the International Atherosclerosis Society (IAS), the vice president of the Iberoamerican Familial Hypercholesterolemia Network, and also a member of the Consensus Panel on Dyslipidemias of the European Atherosclerosis Society (EAS).

Director of the Lipid Clinic of the Heart Institute (InCor) of the University of São Paulo, Brazil and associate professor of the Department of Cardiopulmonary diseases at the University of São Paulo medical school.

He also holds a researcher position at the Academic Research Organization (ARO) of the Hospital Israelita Albert Einstein in Sao Paulo, Brazil. After completing his training in cardiology.

General Information

About Alexandria

Alexandria is a Mediterranean port city in Egypt. During the Hellenistic period, it was home to a lighthouse ranking among the Seven Wonders of the Ancient World as well as a storied library. Today the library is reincarnated in the disc-shaped, ultramodern Bibliotheca Alexandrina. The city also has Greco-Roman landmarks, old-world cafes and sandy beaches. Its 15th-century seafront Qaitbay Citadel is now a museum.

Alexandria, the second largest city in Egypt, known as "The Pearl of the Mediterranean", has an atmosphere that is more Mediterranean than Middle Eastern. Its ambience and cultural heritage distance it from the rest of the country although it is actually only 225 km. from Cairo.

Founded by Alexander the Great in 331 BC, Alexandria became the centre of culture for centuries, and it remained Egypt's capital for nearly a thousand years. Alexandria was known because of its lighthouse (Pharos), one of the Seven Wonders of the Ancient World; its library (the largest library in the ancient world) and the Catacombs of Kom el Shoqafa, one of the Seven Wonders of the Middle Ages.

Floor Plan

Audiovisual Instructions

Dear Speaker,

You will soon be presenting at the conference and we want this experience to go as smoothly

As possible for you. On behalf of the conference, **ICOM** will manage the Audiovisual services and

Provide you with assistance before, during and after your lecture.

Submitting your presentation

- All presentations should be entirely in English.
- Please submit your presentation on flash/stick memory or CD/DVD.
- Please make sure that the saved file(s) contain all media files included in your presentation.
- **For PC users**
 - All Presentations should be created by Microsoft Office.
 - For presentations included videos it's preferred to create it using the latest Microsoft PowerPoint.
 - Prezi presentations are supported.
 - Presenter view is not supported.
- **For Mac users**
 - It's preferred to create your presentation using Microsoft Office for Mac.
 - Keynote files will be converted to Microsoft PowerPoint file to be compatible with our devices
- **Hall Guidelines**
 - Please arrive at the congress hall 10 minutes prior to the beginning of your session.
 - Thank you for abiding by the allocated duration of your presentation.
 - A computerized countdown timer will be displayed on screen and will automatically close the Presentation once the time is finished.
