

## Welcome Message

*Dear Professors and Colleagues,*

*On Behalf of the Nephrology & Transplantation Unit Staff Members, Alexandria Faculty of medicine, we have a great pleasure to welcome you at NephroAlex.2020*

*9th years of remarkable success, which we would have never accomplished Without Your Contribution and Participation will continue introducing our recognized scientific conference as a continuation of our approach in this domain, we will be paying more attention and concentration upon the interactive activities. Actually, by this we aim to encourage effective communication for interactive discussion of the way of finding practical solution for our daily problem.*

*This approach comes from our belief that achievements and advance in medical research and hence daily practice, depends greatly on this interactive way of thinking. Besides the Updates in the fields of Nephrology, this conference will give more space for announcement of well-established guideline and protocols.*

*Your honorable attendance is expected and is valuable to us.*
