

**BUILD UP DAY - TUESDAY 07 OCTOBER 2025**

|                    |   |
|--------------------|---|
| <b>08.00-20.00</b> | <b>Rooms</b>  |
|                    | Set up Exhibition Hall and Poster Build (08.00-20.00) |
|                    | Ground Floor Exhibition Area                          |

| Wednesday 08 October 2025 |   |  |  |  |   |
|---------------------------|---|--|--|--|---|
| Time                      | Rooms   |  |  |  |   |
|                           | Room 8   Palacio de Congresos de Valencia   |  | Room 3&4   Palacio de Congresos de Valencia  |  | Ground Floor   Auditorium 3                       |
| 11.30-12.00               | Arrival Teas/Coffees for CME Course Participants  |  |  |  |   |
|                           | Topic   | Speaker  | Topic  | Speaker                                  | Topic   |
| 12.00-14.00               | CME Course - Clinical - Session 1.1<br>Chair: <i>Anne-Lorraine Clause</i>   |  | CME Course - Spanish Session 2.1<br>Chair: <i>Miguel Perez Fontan and Maria Auxiliadora Bajo</i>   |  |   |
|                           | Organisational Culture for Home Dialysis: Recruit, Train And Retain Strategy (20m)  | <i>Anne-Lorraine Clause, Belgium</i>                               | Optimización de La Prescripción en Diálisis Peritoneal: Un Enfoque Personalizado y Centrado en El Paciente (20m)                                 | <i>Maria Auxiliadora Bajo, Spain</i>     |   |
|                           | Optimizing and Customizing PD Prescription (30m)  | <i>Monika Lichodziejewska-Niemierko, Poland</i>                    | Supervivencia de La Técnica de Diálisis Peritoneal. ¿Podemos Mejorar Los Resultados? (20m)   | <i>Miguel Pérez Fontán, Spain</i>        |   |
|                           | Management of UF Failure in 2025 (30m)  | <i>Simon Davies, United Kingdom</i>                                | Diálisis Peritoneal de Última Generación: Avances en Soluciones Osmóticas y Protectoras del Peritoneo (20m)                                      | <i>Gloria del Peso, Spain</i>            |   |
|                           | How Home HD is Different From In Centre HD (20m)  | <i>Maria Fernanda Slon Roblero, Spain</i>                          | Estrategias Clínicas para el Manejo del Fallo de Ultrafiltración en Diálisis Peritoneal (20m)  | <i>Maria José Fernandez Reyes, Spain</i> |   |
|                           | Management of PD Access (20m)   | <i>Karlien Francois, Belgium</i>                                   | Avances en el Manejo de La Insuficiencia Cardíaca Congestiva Con Diálisis Peritoneal: Evidencia y Perspectivas Clínicas (20m)                    | <i>Nuria Areste, Spain</i>               |   |
|                           |   |  | Diálisis Peritoneal Asistida en España: Modelos de Atención y Primeras Experiencias (20m)  | <i>Emilio Sanchez, Spain</i>             |   |
| 14.00-14.30               | Lunch Break for CME Course Participants (Lunch Provided Onsite)   |  |  |  |   |
| 14.30-16.30               | CME Course - Clinical - Session 1.2<br>Chair: <i>Floris Vanommeslaeghe</i>  |  | CME Course - Spanish Session 2.2<br>Chair: <i>Olga González and Emilio Sanchez</i>   |  |   |
|                           | Nutrition in PD – the Joint International Society of Renal Nutrition and Metabolism (ISRNM) and International Society of Peritoneal Dialysis (ISPD) 2025 Practice Recommendations in a Nutshell (30m) | <i>Angela Wang, Singapore (Kindly Supported by Fresenius Kabi)</i> | Transformando la Terapia Renal: Estrategias para la Expansión de la Hemodiálisis y la Diálisis Peritoneal en el Domicilio (20m)                  | <i>Juan Carlos Quevedo, Spain</i>        |   |
|                           | PD in Special Patient Groups: Yes We Can! (30m)   | <i>Alfero Abrahams, Netherlands</i>                                | Vuelta a La Diálisis Tras Fallo de Injerto Renal. ¿Cómo Puede Ayudar La Diálisis Peritoneal y Hemodiálisis Domiciliaria a Estos Pacientes? (20m) | <i>Sandra Beltrán-Catalán, Spain</i>     |   |
|                           | Evaluation of Frailty and Advance Care Planning (30m)   | <i>Edwina Brown, United Kingdom</i>                                | Hemodiálisis Domiciliaria Nocturna: Una Nueva Alternativa de Tratamiento En España. Experiencia Con Los Primeros Pacientes (20m)                 | <i>Pablo Molina, Spain</i>               |   |
|                           | Infectious Complications (30m)  | <i>Floris Vanommeslaeghe, Belgium</i>                              | Acceso Vascular. Tendón de Aquiles HD Domiciliaria. Estrategias Para Su Monitoreo y Optimización de Resultados (20m)                             | <i>Jesus Calviño, Spain</i>              |   |
|                           |   |  | Diálisis Domiciliaria: Evaluación del Coste-Efectividad y Sostenibilidad del Tratamiento (20m)   | <i>Maria José Espigares, Spain</i>       |   |
|                           |   |  | Nutrición en Diálisis: ¿Influye la Modalidad? Comparación entre HDD, HD Online y HD Convencional (20m)   | <i>Belén Vizcaino Castillo, Spain</i>    | Hands On Medical PD Access Workshop (15:00-16:30) |
| 17.00-18.30               | Opening & Plenary Session 1 Ground Floor   Auditorium 1<br>Chairs: <i>Wim Van Biesen and Simon Davies</i><br>Models of Care   |  |  |  |   |
|                           | Presidential Address: Why We Need New Models of Care (15m)  | <i>Wim Van Biesen, Belgium</i>                                     |  |  |   |
|                           | PATIENT Perspective (10m)   | <i>Daniel Gallego Zurro, Spain</i>                                 |  |  |   |

|             |   |   |   |  |
|-------------|---|---|---|--|
|             | Experience from the SKIP-SH Cohort Study (10m)                                      | <i>Roland Schmitt, Germany</i>                      |   |  |
|             | Home Based Therapies in Europe: Findings from the ERA Registry (10m)                | <i>Maria Fernanda Slon Roblero, Spain</i>           |   |  |
|             | Lessons from the Policy Forum and the Way Forward (15m)                             | <i>Simon Davies, United Kingdom</i>                 |   |  |
|             | Vision of ERA, the Largest European Nephrology Association (15m)                    | <i>Roser Torra, Spain</i>                           |   |  |
|             | Involve Nurses to make Homebased Therapies Great Again (15m)                        | <i>Maria Eulália Leite da Mota Novais, Portugal</i> |   |  |
| 18.30-20.00 | Opening of the Exhibition Hall and Poster Area, Serving of Refreshments and Canapes |   | PD Access Workshops hosted by <i>Professor Karlien François</i>   |  |
|             |   |   | Hands On Medical PD Access Workshop (18:30-20:00)   | <i>Clémence Béchade, France, Annabel Boyer, France &amp; Karlien François, Belgium</i> |
|             |   |   | Models of PD Access Discussion Forum - Model of Starting a Medical PD Catheter Insertion Programme - Sponsored by Vantive (18:30-20:00) | <i>Clémence Béchade, France &amp; Jernej Pajek, Slovenia</i>                           |

| Thursday 09 October 2025 |  |   |   |  |   |   |
