

Condensed Matter and Quantum Materials 2024 (CMQM 2024)

2–5 July 2024

University of St Andrews, Scotland, UK

**Exhibition &
Sponsorship**

iop.org

IOP Institute of Physics

The Condensed Matter and Quantum Materials (CMQM) series is home to the UK condensed matter physics community and offers a community-focussed meeting covering a wide range of topics and emerging fields, ranging from solid state and materials physics to many-body effects and quantum simulation. The conference is supported by a number of Institute of Physics groups and aims at bringing together scientists and PhD students with diverse interests, including exotic electronic and magnetic phenomena in solids, 2D materials, quantum simulators, new materials, superconductivity, characterisation techniques and devices.

The conference will be held as an in-person event and will include a number of expert speakers, and these talks will be complimented by oral presentations, poster sessions, networking opportunities and a commercial exhibition featuring companies with related interests in condensed matter and quantum materials.

We hope you can join us and we look forward to welcoming you to the CMQM 2024 conference!

Location:

University of St Andrews, Scotland, UK

Organising committee:

- Bernd Braunecker, University of St Andrews, UK
- Alexandra Gibbs, University of St Andrews, UK
- Chris Hooley, Max Planck Institute for the Physics of Complex Systems, Germany
- Jonathan Keeling, University of St Andrews, UK
- Phil King, University of St Andrews, UK
- Steve Lee, University of St Andrews, UK
- Hamid Ohadi, University of St Andrews, UK
- Andreas W. Rost, University of St Andrews, UK
- Peter Wahl, University of St Andrews, UK

We invite sponsors and exhibitors from organisations working in all aspects of condensed matter and quantum materials to be involved in this well-established conference. The packages have been designed to maximise sponsoring organisations exposure before and during the event and help elevate their position, at the same time as positively impacting the industry. We are delighted to confirm that we have kept the fees at the same rate as for the last two years.

Why exhibit?

- Demonstrate the range and quality of your products and services to a specialised audience
- Provide invaluable exposure and connect with industry and academic representatives
- Target new customers and develop existing relationships
- Showcase new or upgraded product ranges, as well as reaffirm your current offer
- Exhibiting can build positivity, trust, and loyalty
- Contributes significantly to the promotion and finances of the conference, reducing the overall cost of managing the event and enabling a higher level of participation, particularly young researchers, and therefore helping to develop the physics community.

Sponsorship

Companies are invited to sponsor this conference, adding your presence to the event and increasing your visibility in the community.

The sponsorship packages include:

Platinum sponsor – £1100 + VAT*

- Acknowledged as a Platinum sponsor on the event website and materials
- Exhibitor package (as detailed on the next page)
- 1 x complimentary place to attend the gala dinner on Thursday 4 July
- Full-page colour advert in the electronic abstract book
- Opportunity to promote 3 jobs from within your organisation.

Plus one of the following:

- **Option A:** Delegate bags – logo will be printed on the delegate bags (one colour print).
- **Option B:** Lanyards – logo will be printed on the delegate badge lanyards (one colour print).
- **Option C:** Advertisement videos/slides – play them in the foyer on the screens.

Gold sponsor – £900 + VAT*

- Acknowledged as a Gold sponsor on the event website and materials
- Exhibitor package (as detailed on the next page)
- 1 x complimentary place to attend the gala dinner on Thursday 4 July
- Full-page colour advert in the electronic abstract book.

Plus one of the following:

- **Option D:** Poster session sponsor (logo to appear on the poster numbers on the boards).
- **Option E:** Coffee break sponsor (logo to be displayed around the refreshment room and on the online programme).
- **Option F:** Session sponsor (logo to appear in the lecture theatre for that session and on the online programme).

Silver sponsor (virtual) – £300 + VAT*

- Acknowledged as a Silver sponsor on the event website and materials
- Content on the conference website which includes:
 - 150 (max) word profile
 - Video content (max 2 minutes)
 - Social media links
 - Company logo with a link to your homepage
- Full-page colour advert in the electronic abstract book
- Opportunity to promote 3 jobs from within your organisation.

* VAT is charged at the UK's prevailing rate, currently 20%.

Exhibition

A table-top exhibition will be held alongside CMQM 2024. The exhibition is a great opportunity for you to meet with conference participants, discuss your latest developments and techniques, and promote your products and services. The exhibition will be an integral part of the event programme and delegate experience, and time will be allocated for exhibitors to meet and interact with attendees as well as other vendors.

The exhibition package includes:

- Exhibit for the duration of the conference
- 1 x table and 2 chairs
- 1 x complimentary conference registration which includes:
 - Access to the sessions, which also includes poster, exhibitor and networking
 - Lunch and refreshments on each day
 - Drinks reception on Tuesday 2 July
- Content on the conference website which includes:
 - 150 (max) word profile
 - Video content (max. 2 minutes)
 - Social media links
 - Company logo with a link to your homepage
- Opportunity to promote 1 job from within your organisation.

Rates*

Booked before 31 March 2024	Booked from 1 April 2024
£550 + VAT	£700 + VAT

Space is limited and allocated on a first-come, first-served basis.

VAT is charged at the prevailing rate of 20%.

If the rate is altered as a result of government legislation, charges may be adjusted accordingly. The Institute's VAT registration number is 461-6000-84.

Booking information and enquiries

For further information or to discuss booking the exhibition or sponsorship packages, please email vivien.thomas@iop.org or telephone +44(0) 20 4548 0010.
