

# 52<sup>nd</sup> IOP Annual Plasma Physics Conference

7–10 April 2026

Elphinstone Hall, University of Aberdeen, UK

**The annual IOP Plasma Physics Conference covers all aspects of plasma physics**, including magnetic and inertial confinement fusion, astrophysical and space plasmas, low density and technological/industrial plasmas, low temperature plasmas, high energy density and laser plasmas, dusty and complex plasmas, plasma surface interactions, plasma applications including medical applications and plasma diagnostics.

The conference will be held as an in-person event and will include a number of expert speakers, and these talks will be complimented by oral presentations, poster sessions, networking opportunities and a commercial exhibition featuring companies with interests in plasma physics.

We hope you can join us, and we look forward to welcoming you to the 52st IOP Annual Plasma Physics Conference!

#### **Location**

Elphinstone Hall, University of Aberdeen  
21 High St  
Aberdeen  
AB24 3EE  
United Kingdom

#### **Organising committee:**

- Dr Kathryn Lancaster, CPhys (Chair)
- Professor Stuart Mangles, MInst (Secretary)
- Dr Francis Lockwood Estrin, MInst (Treasurer)
- Dr Yasmin Andrew, FInstP
- Dr Anne-Marie Broomhall, MInstP
- Dr Benjamin Chapman, CPhys MInstP
- Dr Josie Coltman, CPhys MInstP
- Dr David Dickinson, MInstP
- Dr Kirsty McKay, MInstP
- Dr Craig Stark, MInstP
- Mr David Walton, MInstP
- Mr Joshua Ellingford, MInstP

# Exhibitor package

We invite exhibitors from organisations working in all aspects of plasma physics to be involved in this well-established conference. The exhibitor package has been designed to maximise sponsoring organisations' exposure before and during the event and help elevate their position, at the same time positively impacting the industry.

The exhibition will be an integral part of the event programme and delegate experience. Time will be allocated for exhibitors to meet and interact with attendees as well as other vendors.

## Why exhibit?

- Demonstrate the range and quality of your products and services to a specialised audience.
- Provide invaluable exposure and connect with industry and academic representatives.
- Target new customers and develop existing relationships.
- Showcase new or upgraded product ranges, as well as reaffirm your current offer.
- Exhibiting can build positivity, trust, and loyalty.
- Contributes significantly to the promotion and finances of the conference, reducing the overall cost of managing the event and enabling a higher level of participation, particularly young researchers, and therefore helping to develop the physics community.

## The exhibition package includes

- 1 x table and 2 chairs.
- 2 x complimentary conference registration which includes:
  - Access to all sessions
  - Lunch and refreshments on each day
  - Drinks reception and conference dinner
- Content on the conference website which includes:
  - 150 (max.) word profile
  - Video content (max. 2 minutes)
  - Social media links
  - Company logo with a link to your homepage.

## Exhibition package cost £800 VAT

Space is limited and allocated on a strictly first-come-first-served basis.

## Booking information and enquiries

For further information or to discuss booking the exhibition package, please email [sarah.evans@iop.org](mailto:sarah.evans@iop.org) or telephone **+44 20 7470 4927**

To find out more about the conference, please visit the website at <https://iop.eventsair.com/plasma2026>
