

London Imaging Meeting: Lighting and Imaging

8–10 September 2025

Institute of Physics, London, UK

Exhibition &
Sponsorship

iop.org

IOP Institute of Physics

The London Imaging Meeting (LIM) is a yearly topic-based conference focused on the future of imaging science and its intersection with other areas. The theme for 2025 is Lighting and Imaging. LIM 2025 serves as a venue to bring together innovators, researchers, industry professionals, and academics interested in all aspects of the lighting and imaging to promote interaction between these communities and the many others that share an interest in these topics.

Featuring two days of keynote lectures and contributed talks ensuring a wide focus and inclusion of the most exciting science, and posters. There is also a one-day summer school for those interested in gaining knowledge in the area of Lighting and Imaging. There will also be plenty of opportunity to network both during the conference, the summer school and at the accompanying social programme.

We write to you to offer a range of sponsorship opportunities should you wish to increase your exposure at the event. Sponsorship is important for events such as LIM as not only does it help to keep a cap on costs (esp. for students) it is an important way to introduce conference delegates to companies working in the field. A small trade exhibition will be held alongside the programme for those companies working in areas with related interests in Lighting and Imaging technologies. But, space is very limited. So, if this option is of interest, please contact us quickly.

We look forward to welcoming you to the LIM 2025 conference!

Yours,

Martin Gouch
Sponsorship Chair, London Imaging Meeting 2025

Conference Chairs:

- Sophie Jost, ENTPE, France
- Jon Y. Hardeberg, NTNU, Norway

Sponsorship

Sponsorship presents a powerful opportunity to connect with current and prospective customers, attract top-tier scientists, and showcase your commitment to a thriving community. By choosing one of our diverse packages, you can significantly elevate your company's reputation within the scientific community and among research funders.

There are two separate audiences for the sponsorship. The summer school and the conference.

Don't miss this chance to make a strong impact!

On-site Conference sponsor – £500 + VAT*

- Content on the conference website which includes:
 - 250 (max.) word profile
 - Social media links
 - Company logo with a link to your homepage
- One additional registration to include refreshments, lunch, welcome reception, and the Evening Reception
- A4 full colour advert in the electronic abstract book
- Opportunity to promote job adverts in the lead up to the conference (on the website) and on a job's board at the event (unlimited)
- Sponsor provided branded merchandise and/or marketing materials given to delegates in their conference pack
- Conference Evening Social Reception (include your logo on the tickets. You will also feature as sponsoring the reception in the programme).

Virtual sponsor – £250 + VAT*

- Content on the conference website which includes:
 - 100 (max.) word profile
 - Social media links
 - Company logo with a link to your homepage
- A4 full coloured advert in the electronic abstract book.

* VAT is calculated at the current rate of 20%.
If the rate is altered as a result of government legislation,
charges may be adjusted accordingly.
The Institute's VAT registration number is 461-6000-84.

Exhibition

Commercial Exhibition Opportunities – £750 +VAT*

Two companies – on a first come first served basis – involved in Lighting and Imaging technologies are invited to showcase their equipment or services to a targeted audience. The exhibition package has been designed to maximise your benefits and ensure a strong return on investment.

The exhibition is a complimentary component of the event programme and enhances the delegate experience. Time will be set aside for exhibitors to meet and interact with attendees as well as other vendors. London Imaging Meeting typically attracts over 70 participants.

Who should exhibit?

- Manufacturers or agents providing equipment, instruments, components or services associated with any area of Lighting and Imaging technologies
- Publishers working in the scientific community
- Employers of science graduates.

Why exhibit?

- Meet with existing customers and strengthen brand loyalty
- Attract new customers
- Exposure of services and equipment to both current and future potential customers
- Take advantage of face-to-face marketing
- Generate leads in a relaxed and informal environment
- Create lasting business relationships with other vendors and industry professionals
- Research your industry and competition
- Reinforce your company's standing within the scientific community
- Raise awareness of emerging trends.

Exhibition package

The exhibition package includes:

- A table stand with two chairs in the exhibition area
- Logo and web link on the website
- Company profile (100–150 words)
- Social media links
- One complimentary registration for the entire conference (which includes refreshments, lunch, welcome reception and evening reception)
- A full colour advert in the book of abstracts
- Exhibitor provided branded merchandise and/or marketing materials given to delegates in their conference pack.

Space is limited and allocated strictly on a first-come, first-served basis.

* VAT is calculated at the current rate of 20%.
If the rate is altered as a result of government legislation,
charges may be adjusted accordingly.
The Institute's VAT registration number is 461-6000-84.
