

Service Brochure

Cameron Event Logistics is delighted to have been appointed your official event services provider

Please refer all queries regarding the services below to info@cameronlogistics.co.uk

Stand Building

At Cameron Event Logistics we have team members with over 20 years of experience in the live events and exhibition industries. Our talented design partners will ensure your design promotes and reflects your brand in the best possible way.

Stand Electrics

We can assist with any additional power or lighting requirements you have at your event. Our team are experienced in electrical infrastructure and adhere to industry standards and regulations.

Furniture Hire

We have a streamlined, contemporary new furniture line available and our service includes delivery to your stand on the day of the event and uplift afterwards. Our team are on hand to do all of the lifting and allow you to focus on the event.

Exhibitor Material Handling

For all stand material deliveries, we ensure delivery is made within organisers' timelines. Our exhibition and courier services support your commitment to sustainability and environmental awareness.

Forklifting & On-Site Handling

We are on-site to receive your goods, offload and ensure your materials are ready for your arrival. Our forklift service is capable of handling larger shipments ensuring safe delivery and re-upload if required.

Signage & Printing

We supply and deliver any printing materials you require directly to your event. From marketing materials to wide format point of sale, we provide high-quality printing services suited to your needs.

Pre/Post/Through Show Storage

Our modern, temperature-controlled in-house warehousing offers secure short and long-term storage options. We can provide storage on or off-site during your event.

COURIER, DELIVERIES & COLLECTIONS, STORAGE & FORKLIFTING

For all stand material deliveries, we strongly recommend that you do not send direct to venue.

Our services will ensure your delivery will be made to stand in-line with organisers timelines. CEL services will help you make a positive impact on the events environmental sustainability.

Free pre/post event storage at our local warehouse allowing you greater flexibility and more time to get your shipment ready for collection. Stand clearance and empty case storage is also available upon request, contact us for a quotation. **Please be aware, there are no storage facilities at the venue.**

At Breakdown, all material must be removed from the venue. No material can be left overnight. CEL can remove material that has failed on-site collection.

We will remove and return to our warehouse for subsequent uplift.

Please complete our logistics enquiry form via our online portal: [Please click here](#)

To comply with venue insurance and health and safety requirements, no mechanical handling equipment may be used on the venue premises.

Reducing Vehicle Numbers

Reducing Pollution

Reducing Congestion

FAO International Exhibitors

Non-UK Exhibitors

If your material requires customs clearance, please do not send directly to the venue as delays will incur due to your material being seized or held by UK Customs authorities. Contact Cameron Event Logistics Ltd, they can supply a UK-registered EORI number.

Please click the following hyperlink: [Online Enquiry Form](#)

Direct-to-Venue Deliveries

There is no storage space at the venue, any shipment sent to the venue must arrive within tenancy dates and a representative of the Exhibiting Company must be on-site to receive and sign for the delivery. CEL can receive and sign for any deliveries arriving on show tenancy days at the venue and deliver to stand, please note this is a chargeable service.
