

ECT26

European Conference on Thermoelectrics

14–18 September 2026
John McIntyre Conference Centre,
Edinburgh, UK

**Exhibition &
Sponsorship**

IOP Institute of Physics

iop.org

Join us in Edinburgh as a sponsor and/or exhibitor for the 22nd edition of the **European Conference on Thermoelectrics**.

ECT2026 will be a forum for presenting the latest scientific ideas and discoveries, from basic theory and concepts to novel devices and practical applications of thermoelectric materials.

We look forward to welcoming you to the conference!

The 5-day conference will feature:

- Talks from major international and national expert speakers with 4 plenary and 12 invited talks, as well as over 100 contributed talks
- Poster session will take place to showcase work and discoveries
- Networking opportunities within the conference as well as the social programme
- Commercial exhibition featuring companies with related interests in thermoelectric applications and suppliers of scientific equipment.

Conference committee:

- Jan-Willem Bos, University of St Andrews, UK
- Neophytos Neophytou, University of Warwick, UK

Sponsorship and Exhibiting

Organisations are invited to sponsor and or exhibit at this well-established international conference. The packages have been designed to maximise organisations exposure before and during the event and help elevate their position, at the same time as positively impacting the the field of thermoelectric energy.

Benefits to sponsors and exhibitors

- Demonstrate the range and quality of your products and services to a specialised audience
- Provide invaluable exposure and connect with industry and academic representatives
- Target new customers and develop existing relationships
- Showcase new or upgraded product ranges, as well as reaffirm your current offer
- Builds positivity, trust, and loyalty, and helps with future recruitment and collaborations
- Contributes significantly to the promotion and finances of the conference, reducing the overall cost of managing the event and enabling a higher level of participation, particularly young researchers, and therefore helping to develop the thermoelectric community.

Sponsorship (which includes the exhibition package)

Organisations are invited to sponsor this conference and add your presence to the event and increase your visibility in the community. The following packages are available, but If they aren't quite right we can discuss other options with you.

Sponsor – £1,100 + VAT*

- **Option A:** Notepads and pens
(include your logo on the items).
- **Option B:** Conference Dinner
(include your logo on the menus.
You will also feature as sponsoring the dinner in the programme).
- **Option C:** Session Room
(include your logo on information outside).
- **Option D:** Bespoke Sponsorship
(We also welcome bespoke ideas. If you have something specific in mind or would like to explore a tailored opportunity, please get in touch).

*VAT is calculated at the current rate of 20%.
If the rate is altered as a result of government legislation, charges may be adjusted accordingly.
The Institute's VAT registration number is 461-6000-84.

Exhibition

The table-top exhibition will be open over three days, from Tuesday 15 to Thursday 17 September 2026. The exhibition will be an integral part of the event programme and delegate experience, located within the foyer/cafe area where registration, coffee breaks and lunches take place. Time will be allocated for exhibitors to meet and interact with attendees as well as other vendors.

Exhibition package

The exhibition package includes:

- Exhibit over three days – Tuesday 15 to Thursday 17 September 2026
- Table top exhibition – one table and chair
- One complimentary registration for the entire conference (which includes access to all technical sessions, refreshments, lunches, welcome reception, early career research event and conference dinner)
- Content on the conference website which includes:
 - 150 (max.) word profile
 - Video content (max. 2 minutes)
 - Social media links
 - Company logo with a link to your homepage.

The number of exhibitor spaces available is limited to nine and they're allocated strictly on a first-come, first-served basis.
