

# Frontiers of Physics 2024

Online sessions – 17th, 18th, 19th September

In-person Conference – Dublin – Saturday 21st September

## Online series – Tuesday 17th, Wednesday 18th, Thursday 19th

*Please note the conference on Saturday 21st September will not be available online*

This mini online series is designed as a precursor to the in-person event. It is not compulsory to attend these sessions but they aim to give a flavour of what's happening across the world of Physics!

If you register for the main event on Saturday 21st you will automatically be sent joining links for the sessions below. If you wish to only attend the online sessions then please book via our webpage.

Tuesday 17th September	
18:00–18:45	Beans! – Sue Woolhouse and Eleanor Wylie, IOP Coaches – London
19:00–19:45	A Taste of Wales (“Blas Cymru”) – Keith Jones, IOP Coach – Wales
Wednesday 18th September	
18:00–18:45	SENSE.STEAM project – Sasha Brown, Western Norway University of Applied Sciences
