## QuAMp 2023 sponsorship/exhibition opportunities

The organising committee invite you to support this conference booking a stand or sponsorship package. In return we promise a warm welcome and rewarding scientific experience. QuAMP 2023 is the latest meeting in the series of Quantum, Atomic, and Molecular Physics conferences covering all aspects of precision measurements, quantum and nonlinear optics, quantum information and technology, ultra cold atoms and molecules and ultrafast phenomena research with speakers from the UK and abroad. QuAMP is a biennial event that usually attracts participants from across the UK and Europe.

This conference features invited and contributed talks covering a full breadth of topics, poster presentations, and an industry exhibition. For further information, visit the website at [iop.eventsair.com/quamp2023](http://iop.eventsair.com/quamp2023). We hope you can join us in Glasgow!
