

Spin Caloritronics Workshop

21-25 July 2025

University of Leeds, Leeds, UK

We are excited to host the upcoming Spin Caloritronics Workshop in Leeds in 2025, bringing together researchers and experts from around the world to explore the latest advancements in the field. This annual event continues a proud tradition of fostering collaboration and innovation in spin caloritronics, an interdisciplinary area at the intersection of spintronics and thermoelectric phenomena.

The Spin Caloritronics Workshop has a history dating back to its inception over a decade ago, where it began as a small gathering of pioneers in the field. Over the years, it has grown into an internationally recognized forum, known for its dynamic discussions and the sharing of cutting-edge research. Past workshops have taken place across Europe, Asia, and North America, reflecting the truly global interest in understanding and harnessing the interplay between spin currents, heat, and magnetism.

For more information, we invite you to visit the event website at:

<https://iop.eventsair.com/sc2025/>

We hope you can join us in Leeds!

Organising committee:

- Joseph Barker (University of Leeds)
- Genrit Bauer (Tohoku University)
- Bart van Wees (University of Groningen)
- Silvia Viola Kusminskiy (RWTH Aachen University)
- Sebastian Goennenwein (University of Konstanz)
- Barry Zink (University of Denver)
- Jiang Xiao (Fudan University)
- Axel Hoffmann (University of Illinois Urbana-Champaign)
- Joseph Heremans (Ohio State University)
- Ken-ichi Uchida (University of Tokyo)

Why Sponsor?

- Connect with your target market
- Highlight latest innovations and services
- Stand out from your competitors
- Increase brand awareness

Platinum sponsor – £1500 + VAT*

- Highlight video content on the conference website (maximum 5 minutes)
- 250-word profile on the conference website
- Logo and Social Media links on the website
- A table-top stand in the exhibition area
- Catering for one representative (which includes refreshments, lunch, welcome reception and the conference dinner)
- A4 full colour advert in the digital book of abstracts
- Recognition as a sponsor on IOP Social Media Channels
- Sponsor to provide branded merchandise and/or marketing materials given to delegates in their conference pack.

Plus one of the following:

- **Option A:** Drinks reception - Your logo will be printed on strut cards placed near to where drinks will be served. You will also be able to display a banner at the event.
