

	SOROT 2026 Conference - Program at a Glance								
	Breakthrough Orthopaedics Innovate, Collaborate, Elevate								
	06.11.2026 Friday				7.11.2026 Saturday				
Time	Hall 1	Hall 2	Hall 3	Time	Hall 1	Hall 2	Hall 3	Hall 4	Time
07.30	Registration			07.30	Registration				07.30
08.00				Trauma II: The Difficult Ones — Periarticular, Periprosthetic, Easily Missed	Scientific Breakfast: Managing Periprosthetic Joint Infection – A joint EBJIS/ESGIAI/SOROT session	Workshop - What Am I Looking At? Musculoskeletal MRI for Orthopaedic Residents	Nurse Symposium	08.00	
08.30									Opening Session: Breakthroughs in Orthopaedics
09.00	09.00	Keynote Lecture - Jamie Cummins	09.00						
09.30				09.30					
10.00	Coffee Break						10.00	Coffee Break	
10.30	Advanced Solutions In Primary And Revision Hip Arthroplasty	Imaging for the Orthopaedic Surgeon: What Each Modality Really Tells You in MSK Infections	Free Papers	10.30	Presidential Lecture - Dr. Serban Dragosloveanu			Nurse Symposium	10.30
11.00				Tumors Session	Management of Bleeding and Coagulation Disorders in Septic Orthopaedic Patients: From Guidelines to Clinical Practice	Manuscript Lab — A SOROT Scientific Writing Intensive	11.00		
11.30									Clinical Challenges in Medical Rehabilitation Following Revision Arthroplasty
12.00						12.00			
12.30	Highlight Lecture - Prof. Mohit Bhandari			12.30					12.30
13.00	Industry Symposium			13.00	Industry Symposium				13.00
13.30	Lunch Break			13.30	Lunch Break				13.30
14.00				14.00					
14.30	Robotics in the OR: Live-Replay Theatre & Expert Fireside Panel - 2026 Edition	Shoulder Session: The Full Spectrum — Instability, Rotator Cuff and Arthroplasty	Free Papers	14.30	Industry Symposium				14.30
15.00				Beyond the Standard Case: Reconstruction and Salvage in Complex Orthopaedics	AO Trauma Symposium	Beyond the Break: Early and Late Complications of Foot & Ankle Fractures - ROFAS Invited Society		15.00	
15.30								15.30	
16.00								16.00	
16.30								16.30	
17.00	Coffee Break			17.00	Coffee Break				17.00
17.30	Trauma I: Pelvic Ring and Polytrauma — Challenges and Solutions	EFORT Symposium - The Hip Fracture Continuum in 2026: European Strategies from Complex Reconstruction to Secondary Prevention		17.30	Keynote Lecture - Prof. Theofilos Karachalios - Which Patients Benefit From Robotic Total Knee Arthroplasty				17.30
18.00		SRATS Symposium: The Evolving Knee: Alignment, Preservation, Replacement	Free Papers	18.00	EKA - ESSKA Knee Session	Orthopaedics 2.0: The Resident's Innovation Playbook	Free Papers		18.00
18.30				18.30					
19.00				19.00					
Evening	Opening Ceremony			Evening	General Assembly				Evening
