MESSAGE FROM THE CONFERENCE PRESIDENT

It is our great pleasure to welcome you to Timișoara for the much-anticipated International Comprehensive Shoulder Meeting, organized by the Romanian Society for Shoulder and Elbow Surgery (SRCUC), taking place on March 20-21, 2026. This year's edition brings together an exceptional group of specialists, creating a space to share insights, inspire new ideas, and advance the understanding of shoulder care.

Participants will dive into a broad spectrum of essential topics, including fractures, arthroscopy, and shoulder arthroplasty, presented through interactive case-based discussions, high-quality lectures, and dynamic panel debates. Learn directly from internationally renowned experts, alongside distinguished national faculty and passionate colleagues, for an engaging and enriching experience both professionally and socially.

We are thrilled to have you here - let's enjoy this wonderful event together, exchange knowledge, explore innovative techniques, and celebrate the latest advancements in shoulder surgery and care.
