Dear Speaker,

Please use this link https://forms.gle/BMGqx5KDzfjb76QE7 to upload your presentation. If you wish to upload an edited version of your PowerPoint, you may do so until 2 hours prior to your session. The form will no longer accept responses after that.

Guidance on presentation format - please read this section before uploading your presentation!

Microsoft PowerPoint should be used to create presentation slides and the format should be 16:9. A title slide with the following information: presentation title, author(s) name, author(s) institution, followed by a slide with a conflict-of-interest disclosure must be included in each presentation. If you wish to include videos in your presentation, please consider including links in slides, rather than embedding videos in the presentation itself to keep file weight contained.

Plenary speaker presentations should not last more than 20 minutes.

Symposium speaker presentations should not last more than 11 minutes, plus 4 minutes for discussion.

Free oral presentations should not last more than 7 minutes, plus 3 minutes for discussion.

If you encounter any issues, please reach out to us on iustimalta2023@gmail.com

Thanks & Regards,

The Conference Team
