**Exhibitor  
Technical Manual**

[www.aepc2026.org](http://www.aepc2026.org)

Dear Industry Partners,

This Exhibition Technical Manual is designed to assist you in preparing for a successful event and contains important information to ensure the smooth flow of your exhibition.

Please forward this manual to everyone who is working on this project, including your colleagues, agency and/or your stand builder, and make sure they read thoroughly all the useful information about the meeting. It will take very little of your time now and will save you a lot of time later.

Please do not hesitate to contact us for further information or assistance.

We are looking forward to welcoming you to Lyon and wish you a successful Meeting and Exhibition.

Kind Regards,

**AEPC 2026 Organising Secretariat**

*\* Hours are subject to change*

- Exhibitors who construct their own booth must submit their booth layout or a sample rendering for approval by **Monday, 13 April**, to [dsivaci@kenes.com](mailto:dsivaci@kenes.com)
- The maximum building height for the top of all elements is **2,5 meters**.
- Any part facing neighboring booths with mutual walls must be designed with neutral surfaces (white), **and the back of the booth should be properly covered.**
- Booths must be constructed on top of carpet or other fully protective flooring laid onto the venue's marble floor.
- Wherever it is necessary to secure any carpet or protective flooring to the venue's floors (i.e., with double-sided tape, gaffer tape, etc.), it must be done in a way that avoids leaving any adhesive residue on the venue's flooring (e.g., by using paper masking tape underneath the adhesive tapes).

## EXHIBITION DETAILS

- All exhibitors should to at their booth 30 minutes before the official opening hour.
- Empty crates and packaging material must be removed/stored after setup, and all aisles must be clear of exhibits and packaging materials to allow for cleaning, no later than 16:00 on May 13, 2026, Wednesday.
- **Any equipment, display aid, or other material left behind on May 16, 2026, Saturday after 15:00 will be considered discarded and abandoned.**
- It is the exhibitors' responsibility to dispose of all materials after dismantling. Any charges incurred for waste removal will be reflected to the exhibitor.
- **The exhibitor assumes all responsibility for the information provided to them in this manual and assumes the risk for the use of third-party service providers listed in this document.**
- Before coming to Padova Fiere Conference Center, we kindly ask you to check the **Venue Information Document** to find all details & regulations. For more information like car access, parking, etc., you can check the information tab on the [venue website](#).
