

Street Art Berlin GmbH

Since more than 12 years we are doing our best!

We are working worldwide to bring art to you and have a straight sustainability policy:

- Avoidance of waste
- Use of recyclable materials
- Preferential use of reusable materials
- Multiple use of materials
- Environmentally friendly behaviour of employees, artists and managers
- Rejection of orders and projects that cannot be carried out sustainably
- High level of social and sustainable commitment

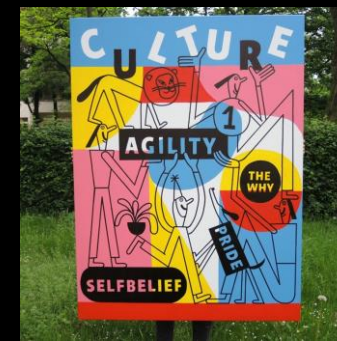

With one of the most vibrant global artist networks for modern and urban art we will fulfill all your needs with fantastic art and new perspectives.

Any questions about our sustainability policy?
