

ESSD 2024

23 - 27 September 2024

“From bench to bedside”

14th Annual Congress

<https://essd2024.org/>

ESSD pre-conference course 2024: High Resolution Manometry

Venue TBD

Speakers

Prof Taher Omari Flinders Health and Medical Research Institute, Flinders University, Adelaide, Australia.
 Prof Nathalie Rommel Faculty of Medicine, Neurosciences, Exp ORL, Deglutology, KU Leuven, Belgium.
 Dr Peter Wu Dept Gastroenterology and Hepatology, St George Hospital, University of New South Wales, Sydney, Australia.
 Dr Michael Szczesniak Dept Gastroenterology and Hepatology, St George Hospital, University of New South Wales, Sydney, Australia.
 A/Prof Julia Mc Clean Speech Pathology, St George Hospital, Sydney, Australia.
 Dr M Schar Flinders Health and Medical Research Institute, Flinders University, Adelaide, Australia.
 Drs Marthe Everaert, Faculty of Medicine, Neurosciences, Deglutology, KU Leuven, Belgium.

| Date | Time | Title | Speaker(s) | |
|----------------|--|--|---|--|
| Monday Sept 23 | | Pharyngeal high resolution manometry | | |
| | 0830-1000 | An Introduction to Pharyngeal High-Resolution Manometry | T Omari | |
| | 1000-1030 | Break | | |
| | 1030-1200 | P-HRM from a Motility Service Perspective eSSQ – Validation and How to Use it | M Schar M Szczesniak | |
| | 1200-1300 | Lunch | | |
| | 1300-1430 | Pharyngeal Video-Manometry Utility of HRM-Impedance to Accurately Define UES Dysfunction in Neurological and HNC populations | N Rommel J Mc Clean | |
| | 1430-1500 | Break | | |
| | 1500- 1600 | P-HRM Case studies - Questions | N Rommel, P Wu, M Szczesniak, M Everaert | |
| | | | Esophageal high resolution manometry | |
| | 0830-1000 | Welcome An Introduction to Esophageal Physiology and motility | N Rommel P Wu | |
| 1000-1030 | Break | | | |
| 1030-1200 | Chicago Classification 4.0 Esophageal Manometry Protocol | N Rommel N Rommel | | |
| 1200-1300 | Lunch | | | |
| 1300-1430 | HRM-Impedance Measures of Esophageal Physiology Clinical demonstration esophageal manometry (video recording) | T Omari N Rommel | | |
| 1430-1500 | Break | | | |
| 1500- 1600 | Utilizing HRM in clinical practise - case studies - Questions | P Wu / M Everaert/ N Rommel | | |
