

TERMS AND CONDITIONS OF ATTENDANCE

These are the terms and conditions (the "Agreement") governing your participation in any KUONI TUMLARE CONGRESS owned and operated Semi-hybrid event, meeting, show, seminar or conference which combines a "live" in-person event with a "virtual" online component (the "Semi-hybrid Event"). By registering for the Semi-hybrid Event, you agree to these terms, which form a binding legal contract between the Semi-hybrid Event owner and host, KUONI TUMLARE CONGRESS ("KUONI TUMLARE CONGRESS" or "Owner and Organizer") and the registered participant ("you" or "Participant"). If you are registering on behalf of another individual, it is your responsibility to ensure the person participating is aware of these terms and accepts them. By completing the registration on behalf of another individual you are warranting that you have made the Participant aware of these terms and that they have accepted these terms.

1 Participant Requirements

1.1 Access. Your registration entitles you to access to the Semi-hybrid Event for which you have registered. Any and all other costs associated with your attendance shall be borne solely by you, and Semi-hybrid Event shall have no liability for such costs.

1.1.1 Badges. Each in-person registered participant will receive a name badge upon arrival. For organizational and security reasons, we request that all participants and industry partners wear their badges at all times during the congress activities. Re-print due to loss of badges or due to misspelled names can be done at the registration desk at a cost of CHF 25 per badge (inclusive 23% Irish VAT).

1.1.2 Invitation letter for visa applications in-person participants. In-person participants may need a letter of invitation from the congress organizers in order to obtain a visa for entry into Switzerland. It is the sole responsibility of the participant to take care of any visa requirements.

Participants who require an entry visa must foresee sufficient time for the visa application procedure. Participants should contact the nearest local Embassy or Consulate of Switzerland to determine the appropriate timing and conditions of the visa application.

This procedure is intended to assist in-person participants who need to obtain a visa or permission to attend the EAS Annual Meeting 2026 in Lausanne. It is not an official invitation covering fees and/or any other expenses or financial support from the congress.

Invitation letters will be sent separately after full payment of the registration has been received.

1.2 Use of Likeness. By participating in the Semi-hybrid Event, you acknowledge and agree to grant Semi-hybrid Event the right at the Semi-hybrid Event to record, film, live stream, photograph, or capture your likeness in any media now available or hereafter developed and to distribute, broadcast, use, or otherwise globally to disseminate, in perpetuity, such media without any further approval from you or any payment to you. This grant to Semi-hybrid Event includes, but is not limited to, the right to edit such media, the right to use the media alone or together with other information, and the right to allow others to use or disseminate the media.

1.3 Semi-hybrid Event Content. You acknowledge and agree that Semi-hybrid Event, in its sole discretion, reserves the right to change any and all aspects of the Semi-hybrid Event, including but not limited to, the Semi-hybrid Event name, themes, content, program, speakers, performers, hosts, moderators, venue (for Semi-hybrid event), and time. Semi-hybrid Event content shall be recorded by KUONI TUMLARE CONGRESS and will be accessible to paid Participants.

2 Prohibited Conduct

2.1 Limitations on Use. By registering for a KUONI TUMLARE CONGRESS Semi-hybrid Events pass you agree not to sell, trade, transfer, or share your complimentary access link and/or code, unless such transfer is granted by the Organizer. By registering for a paid Semi-hybrid Event Pass, you agree not to share, sell or trade your access. If KUONI TUMLARE CONGRESS determines that you have violated this policy, KUONI TUMLARE CONGRESS may cancel your access, retain any payments made by you, report you to law enforcement authorities, and ban you from future Semi-hybrid Events.

2.2 Disruptive Conduct. You acknowledge and agree that Semi-hybrid Event reserves the right to remove you from the Semi-hybrid Event if KUONI TUMLARE CONGRESS, in its sole discretion, determines that your participation or behavior create a disruption or hinder the Semi-hybrid Event or the enjoyment of the Semi-hybrid Event content by other attendees.

2.3 Recording, Live Streaming, and Videotaping. Participants may not record or broadcast audio or video of sessions at KUONI TUMLARE CONGRESS Semi-hybrid Events.

2.4 Unethical/Non-Compliant Business Practices. KUONI TUMLARE CONGRESS reserves the right to deny participation to anyone who engages in or is reputed to engage in unethical or non-compliant business practices.

2.5 In addition to the requirements and prohibitions set forth in this Section 2, KUONI TUMLARE CONGRESS may also exclude any prospective participant from registering for or participating in any Semi-hybrid Event, in KUONI TUMLARE CONGRESS's sole discretion.

3 Fees and Registration

3.1 Payment. The payment of the applicable fee for the Semi-hybrid Event is due upon registration. If such payment is insufficient or declined for any reason KUONI TUMLARE CONGRESS may refuse to allow you to access the Semi-hybrid Event and shall have no liability in that regard.

3.2 Taxes. The fees may be subject to sales tax, value added tax, or other taxes and duties which, if applicable, will be charged to you in addition to the fees.

3.3 Final invoice will be sent within a few days after the payment has been received in our account.

3.4 Non or late payment. In case a payment has not been received within 14 days, the registration will be cancelled, and individuals must redo the registration procedure with the then current registration fee.

We will evaluate individual complaints in a context of collective comments from the Semi-hybrid Event. As speakers are confirmed months before the Semi-hybrid Event, some speaker changes or topic changes may occur in the program. KUONI TUMLARE CONGRESS is not responsible for speaker changes but will work to ensure a comparable speaker is located to participate in the program.

4.1.4 If KUONI TUMLARE CONGRESS is prevented from carrying out its obligations as it pertains to the Semi-hybrid Event you registered for as a result of any cause beyond its control, or such Semi-hybrid Event cannot be conducted because of a software or issue with the hosting platform or due to acts of God, strikes, labor disputes, government requisitions, restrictions or war or apparent act of war, terrorism, disaster, civil disorder, epidemic or pandemic, curtailment or restriction on transportation facilities, or any other comparable calamity, casualty or condition (collectively a "Force Majeure") KUONI TUMLARE CONGRESS shall have the right to immediately terminate the affected Semi-hybrid Event without liability and shall be relieved of its obligations to Registrant. If the affected Semi-hybrid Event is terminated due to a Force Majeure occurrence before the first day of the Semi-hybrid Event, then KUONI TUMLARE CONGRESS will reschedule the affected Semi-hybrid Event and your registration fee will be applied to the rescheduled Conference.
