## WELCOME MESSAGE //

**Dr Maysoon Albalawi**

Consultant Rheumatology and Head of the Rheumatology division, PSMMC  
Chairperson- Organizing Committee

Welcome to the upcoming 17th-AMC (The 17th Advanced Medicine Conference 2024) scheduled for January 26th-27th, 2024, in Crown Plaza RDC Hotel, Riyadh, Saudi Arabia.

This is a 2-days conference that will be under the patronage of HRH, the Ministry of Defense.

The 17th Advanced Medicine Conference is considered an established conference that most doctors in both government and private hospitals are keen to attend, bringing together medical professionals, researchers, and experts from diverse specialties including General Medicine, Pulmonary, Rheumatology, Infectious Diseases, Endocrinology, Cardiology, Nephrology, Gastroenterology, Hepatology, Oncology, Hematology, Immunology, Neurology, and Critical Care Medicine.

Our mission at 17th-AMC is to educate healthcare professionals to cover different specialties in Internal Medicine. We bring together individuals from diverse medical specialties to foster interactions, facilitate sharing of knowledge and expertise, and encourage cross-pollination of ideas.

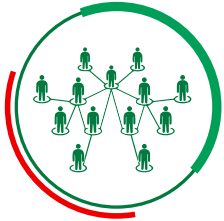

Prepare yourself for two action-packed and informative days filled with engaging scientific lectures, thought-provoking panel discussions, and enlightening satellite symposia. One of the primary objectives of the conference is to promote interdisciplinary collaboration among attendees. Through interdisciplinary collaboration, participants can explore innovative approaches, tackle complex healthcare challenges, and drive advancements in medical practice.

To our generous sponsors, your unwavering support is pivotal in bringing this 17th Advanced Medicine Conference to life. Your involvement emphasizes your commitment to advancing the field of Internal Medicine in Saudi Arabia and provides a unique opportunity to engage with healthcare experts and professionals from diverse backgrounds. We trust that your involvement in this unique conference will expand your expertise and reinforce your significant contributions to the field.

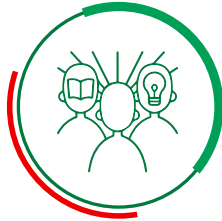

Join us this January 2024 for a conference that promises to inspire progress and create a lasting impact. We eagerly await your presence at 17th-AMC.

Thank you,

## WHY ATTEND //

Networking Opportunities

Regional & International Experts

Evidence Based Case Studies

Latest Topics and Researches

Newly Discovered Treatments

## TARGET AUDIENCE //

Physicians, Residents, Fellow, Pharmacists, and other Healthcare providers specializing in Internal Medicine, Pulmonary, Rheumatology, Infectious Diseases, Endocrinology, Cardiology, Nephrology, Gastroenterology, Hepatology, Hematology, Immunology, Neurology, Critical Care Medicine.
