Welcome Message

Dr. Hussain Al Dhamen

Summit Chairperson
Consultant Internist and Pulmonologist
Head of Pulmonary section, Dammam
Medical Complex

Welcome to the forthcoming **Saudi Respiratory Health Summit** scheduled on 8-9 May 2024 which will be held at Warwick Hotel Al Khobar, KSA.

This is a 2-days forum that will be under the patronage of Eastern Health Cluster. The Saudi Respiratory Health Summit is targeting healthcare professionals dedicated to advancing the field of respiratory care.

The mission of the Summit is to provide a platform for healthcare professionals to stay updated on the latest advancements, guidelines, and best practices in the field of respiratory medicine. We bring together individuals from diverse medical backgrounds to foster interactions, facilitate sharing of knowledge and expertise.

Prepare yourself for two action-packed and informative days filled with engaging scientific lectures, thought-provoking panel discussions, and enlightening satellite symposia. Through interdisciplinary collaboration, we aim to explore innovative approaches, tackle complex challenges, and drive advancements in respiratory care.

Join us this may, 2024 for a forum that promises to inspire progress and create a lasting impact. We eagerly await your presence at Saudi Respiratory Health Summit.
