VALUABLE FEEDBACK TESTIMONIALS

This congress is unique in which You get plenty of knowledge and updates every year

Dr. Sathish Kandambeth

I am recommending my friend and myself for the next one

Dr. Maryam Alyaqoubi

It's very informative and relevant to the community. The topics discussed are up-to-date and concise. I will definitely recommend to my colleagues

Dr. Aijaz Abdus Samad

It is very informative and useful not only for neurologists but also for others like general practitioners and family physicians

Dr. Ishrat Jehan

Well-presented and an excellent laid out programme. All speakers had put in excellent effort to give their talks. Audiovisual was perfect. Venue was accessible and all facilities were good I would definitely recommend this conference to other colleagues

Dr. Shahid Ali

It was a great experience and looking forward for the next time to be held on a larger scale

Dr. Mohamed Rafi

The topics are very interesting and the content is very informative to learn from and to share the discussion with other experts

Dr. Haneesha Pinnamaraju

The quality of the presentations, the clarity of the audio, and the overall organization of the event were excellent, providing valuable insights and networking opportunities. It would be beneficial for colleagues seeking to enhance their knowledge and connections in the field

Dr. Huda Alharbi

I will definitely recommend to other medical directors in clinics and in hospitals to attend next one as this would help more information to be discussed and this was also very informative

Dr. Marwa Samad
