

NEWS IN GASTROENTEROLOGY IN 2024

Ediția a II-a

PROGRAM

Co-directori:

Prof. Dr. **Andrada Seicean**
Prof. Dr. **Cristian Gheorghe**

Friday, November 8th

| | |
|---|---|
| 08:20 – 08:30 | Opening Ceremony <i>Cristian Gheorghe, Andrada Seicean</i> |
| 08:30 – 10:20 | UPPER DIGESTIVE DISEASES |
| Moderators: Gabriel Constantinescu, Romeo Chira, Mădălina Ilie | |
| 08:30 – 08:45 | GERD advances in diagnosis and treatment (News from Lyon consensus 2) <i>Simona Grad</i> |
| 08:45 – 09:00 | Top tips for endoscopic treatment of esophageal variceal bleeding <i>Cristian Tefas</i> |
| 09:00 – 09:15 | Accuracy of the No-Biopsy Approach for the Diagnosis of Celiac Disease <i>Romeo Chira</i> |
| 09:15 – 09:30 | Top tips for endoscopic management of malignant esophageal obstruction <i>Gabriel Constantinescu</i> |
| 09:30 – 09:45 | Infiltrative gastric lesions – a difficult diagnosis <i>Mădălina Ilie</i> |
| 09:45 – 10:05 | Satellite symposia Alfa Sigma Indications of Rifaximin and pre/probiotics beyond irritable bowel disease <i>Cristian Gheorghe</i> |
| 10:05 – 10:20 | Satellite symposia Sandoz Pyzchiva, Ustekinumab Sandoz in the Crohn Disease story, right from the beginning! <i>Cristina Pojoga</i> |
| 10:20 – 10:45 | Coffee Break |
| 10:45 – 12:45 | LOWER DIGESTIVE DISEASES |
| Moderators: Simona Bătagă, Liliana Dina, Mihai Ciocîrlan | |
| 10:45 – 11:00 | Bowel preparation for colonoscopy - an update <i>Simona Bătagă</i> |
| 11:00 – 11:15 | How to improve screening colonoscopy <i>Răzvan Iacob</i> |
| 11:15 – 11:30 | News in endoscopic submucosal dissection in 2024 <i>Mihai Ciocîrlan</i> |

| | |
|---|---|
| 11:30 – 11:45 | Constipation - new evidence in therapy <i>Teodora Surdea Blaga</i> |
| 11:45 – 12:00 | Progress in the management of colonic diverticulosis <i>Dan Gheonea</i> |
| 12:00 – 12:30 | STATE OF THE ART Management of polyps in challenging scenarios <i>Monika Ferlitsch</i> |
| 12:30 – 12:45 | Satellite symposia Johnson & Johnson Translating IBD research: latest findings for daily practice <i>Liana Gheorghe</i> |
| 12:45 – 13:00 | Satellite symposia Innergy Gut Microbiota support in operative circumstances <i>Voicu Rednic</i> |
| 13:00 – 13:45 | Lunch Break |
| 13:45 – 16:15 | |
| HEPATIC DISEASES | |
| Moderators: Liana Gheorghe, Monica Acalovschi, Cora Pop, Nadim Al Hajjar | |
| 13:45 – 14:00 | Evolving treatment armamentarium in viral B hepatitis in 2024 <i>Corina Radu</i> |
| 14:00 – 14:15 | MASH in 2024: from pharmacologic therapies to bariatric surgery <i>Dana Crisan</i> |
| 14:15 – 14:30 | Hepatocellular carcinoma according to the latest guidelines <i>Cora Pop</i> |
| 14:30 – 14:45 | Acute on chronic liver failure in cirrhosis <i>Speranța Iacob</i> |
| 14:45 – 15:00 | Optimizing liver transplant candidate with alcohol-related liver disease <i>Liana Gheorghe</i> |
| 15:00 – 15:15 | Current indication for liver transplantation - from surgical point of view <i>Nadim Al Hajjar</i> |
| 15:15 – 15:30 | Biliary strictures in liver transplanted patients <i>Vasile Sandru</i> |
| 15:30 – 16:00 | STATE OF THE ART Autoimmune hepatic diseases - update 2024 <i>Maria Londoño</i> |
| 16:00 – 16:15 | Satellite symposia Sobi Optimizing haematological outcome for patients with Chronic Liver Disease <i>Dan Gheonea</i> |

| | |
|--|---|
| 16:15 – 16:45 | Coffee Break |
| 16:45 – 18:15 | |
| PANCREATIC DISEASES | |
| Moderators: Cristian Gheorghe, Adrian Săftoiu, Mariana Jinga | |
| 16:45 – 17:15 | STATE OF THE ART Early detection of pancreatic lesions with endoscopic ultrasound <i>Pietro Fusaroli</i> |
| 17:15 – 17:30 | Innovation in pancreatic endoscopic ultrasound <i>Adrian Saftoiu</i> |
| 17:30 – 17:45 | Chronic pancreatitis - managing pain and pancreatic insufficiency (exocrine and endocrine) <i>Cristian Gheorghe</i> |
| 17:45 – 18:00 | The multidisciplinary pancreatic cyst clinic: a collaborative approach to streamlined management <i>Mariana Jinga</i> |
| 18:00 – 18:15 | Perioperative outcomes of pancreatic resection: important issues for the gastroenterologist <i>Andrada Seicean</i> |
| 20:00 – 23:00 | Welcome Dinner |

Saturday, November 9th

| | |
|---|--|
| 09:00 – 12:15 | |
| INFLAMMATORY BOWEL DISEASES | |
| Moderators: Liana Gheorghe, Cătălina Mihai, Andrada Seicean | |
| 09:00 – 09:30 | Satellite symposia Pfizer Integrating real world evidence with Xeljanz – enhancing clinical practice <i>Andrada Seicean</i> |
| 09:30 – 10:00 | STATE OF THE ART Inflammatory bowel diseases in 2024 - Clinical Trials in review <i>Liana Gheorghe</i> |
| 10:00 – 10:15 | Quality measures for colonoscopy in inflammatory bowel diseases <i>Cristian Gheorghe</i> |
| 10:15 – 10:30 | Dysplasia in inflammatory bowel disease: diagnosis, prevention, treatment <i>Cătălina Mihai, Cristina Cijevschi-Prelipcean</i> |
| 10:30 – 10:45 | Perianal fistulizing Crohn's disease: the surgical approach <i>Radu Seicean</i> |
| 10:45 – 11:00 | Pregnancy in IBD: outcomes and safety <i>Cristina Pojoga</i> |
| 11:00 – 11:15 | Satellite symposia Stada Statement on the scientific rationale supporting interchangeability of biosimilar medicines <i>Claudia Hagiu</i> |
| 11:15 – 11:30 | Satellite symposia Mayoly Factors affecting the quality of bowel preparation for colonoscopy in hard-to-prepare patients <i>Horea-Alexandru Pituțiu</i> |
| 11:30 – 12:00 | Coffee Break |
| 12:00 – 12:30 | STATE OF THE ART Combination therapy in inflammatory bowel disease <i>Yamile Zabana</i> |

| | |
|--|--|
| 12:30 – 14:45 | |
| VASCULAR DISEASE IN GASTROENTEROLOGY – case presentation in focus | |
| Moderators: Cristian Gheorghe, Bogdan Procopeț, Adrian Săftoiu | |
| 12:30 – 12:45 | Portal vein thrombosis in 2024 - update <i>Bogdan Procopeț</i> |
| 12:45 – 13:00 | Acute portal vein thrombosis in cholangitis: which is the best approach <i>Voicu Mercea</i> |
| 13:00 – 13:15 | Benign focal liver lesions associated with vascular disease <i>Lidia Munteanu</i> |
| 13:15 – 13:30 | IgG4 disease with aortic involvement: a challenging situation <i>Adriana Cavasi</i> |
| 13:30 – 13:45 | Satellite symposia Sanofi Nonalcoholic fatty liver disease associated with metabolic syndrome: therapeutic challenges <i>Andrada Seicean</i> |
| 13:45 – 14:00 | Portal vein thrombosis in hepatocellular carcinoma: the imaging approach <i>Tudor Mocan</i> |
| 14:00 -14:15 | Small bowel tumour - the multidisciplinary team is compulsory <i>Claudia Hagiu</i> |
| 14:15 – 14:30 | Splenic pseudoaneurysm in chronic pancreatitis - difficulties in management <i>Voicu Rednic</i> |
| 14:30 – 14:45 | CLOSING REMARKS <i>Andrada Seicean, Cristian Gheorghe</i> |
