

ROMANIAN
SOCIETY OF
UROGYNECOLOGY

The 21st

National Congress of the Romanian Society of Urogynecology

18th – 19th September 2026, Ramada Hotel, Sibiu

PROGRAM

Prof. Univ. Dr. Elvira Brătilă
Congress President

Prof. Univ. Dr. Petre Cornel Brătilă
Founder & Honorary President Romanian Society of Urogynecology

Asist. Univ. Dr. Ciprian Coroleucă
Congress Vice-President

FRIDAY, 18 September 2026**SESSION 1**

Moderators: Prof. Univ. Dr. Petre Brătîlă, Prof. Univ. Dr. Claudia Mehedințu, Conf. Univ. Dr. Cristian Surcel

11:00-11:15 Genitourinary syndrome of menopause - Claudia Mehedințu

11:15-11:30 Predictive factors for pelvic organ prolapse recurrence after surgical repair - Radu Chicea, Olimpiu Mureșan, Ecaterina Kuzminova, Tania Mureșan, Silviu Sabău

11:30-11:50 Augmentation cystoplasty in women: contemporary indications and surgical strategies - Cristian Surcel

11:50-12:05 Management of iatrogenic lower urinary tract injuries - Octavian Munteanu, Monica Cîrstoiu

12:05-12:20 Uterine preservation through correction of the apical support defect: our center's initial experience with bilateral sacrospinous hysteropexy using the I-Stitch device - Mihaela Boț, Gabriel Bogdan, Andreea Borisilavski, Radu Vlădăreanu

12:20-12:30 When fistula repair goes wrong: managing the difficult redo case - Cristian Mirvald

DENSMORE SYMPOSIUM

12:30-12:40 The synergistic role of lipid mediators, antioxidants and phytochemicals in the management of pain and inflammation in endometriosis - Elvira Brătîlă

ASTELLAS SYMPOSIUM

12:40-12:55 Mirabegron as the first choice treatment for patients with overactive bladder (OAB) - Andrei Manu Marin

12:55 – 13:30 **Coffee Break & Snack**

FRIDAY, 18 September 2026**SESSION 2**

Moderators: Prof. Univ. Dr. Ștefania Tudorache, Prof. Univ. Dr. Radu Chicea, Prof. Univ. Dr. Răzvan Ciortea

- | | |
|--------------------|---|
| 13:30-13:45 | Laparoscopic treatment of vesico-vaginal fistula - Elvira Brătilă |
| 13:45-14:00 | Beyond the POP-Q: 2D and 3D TPUS in pelvic organ prolapse - Ștefania Tudorache |
| 14:00-14:15 | Energy-based devices for the treatment of urinary incontinence - Maurizio Serati |
| 14:15-14:30 | Overdiagnosed pelvic floor in modern urogynecology - Răzvan Ciortea |
| 14:30-14:45 | Cystocele treatment – native tissue repair technique - Ciprian-Andrei Coroleucă |
| 14:45-15:00 | Modern approach to overactive bladder syndrome: is intradetrusor injection of Botulinum Toxin better? Single-center experience - Irina Ciofu, C. Poalelungi, S. Nastasia, Iuliana Ceașu |

ALTHEA LIFE SCIENCE SYMPOSIUM

- | | |
|--------------------|---|
| 15:00-15:10 | Vulvovaginal atrophy beyond the symptom: biological restoration of the mucosa. Refeel® Cream – an integrated approach to regeneration, microcirculation and barrier function – Elvira Brătilă |
|--------------------|---|

MSD SYMPOSIUM

- | | |
|--------------------|--|
| 15:10-15:30 | The importance of HPV vaccination in adults – Răzvan Petca |
|--------------------|--|

- | | |
|----------------------|---------------------|
| 15:30 – 16:00 | Coffee Break |
|----------------------|---------------------|

FRIDAY, 18 September 2026**SESSION 3**

Moderators: Prof. Univ. Dr. Romeo Micu, Prof. Univ. Dr. Cristian Furău, Șef Lucr. Dr. Mihaela Boț

16:00-16:15	Urinary incontinence: from functional diagnosis to personalized treatment - Cristina Ivan, Romeo Micu
16:15-16:30	Medical and surgical management of uterine prolapse in nulliparous women of reproductive age – preservation of the uterus and reproductive potential - Nicolae Suciu, Ana Elena Martiniuc, Lucian Gheorghe Pop, Mădălina Piron-Dumitrașcu, Ioan-Dumitru Suciu
16:30-16:45	Stress urinary incontinence in women - evaluation of medium-term therapeutic outcomes – Radu Chicea, Olimpiu Mureșan, Ecaterina Kuzminova, Tania Mureșan, Silviu Sabău
16:45-17:00	Management options in genitourinary syndrome – Cristian Furău
17:00-17:15	Beyond anatomy - the impact of genital prolapse on women's health - Mihai-Cristian Dumitrașcu, Răzvan Fodoroiu
17:15-17:30	Therapeutic options and complications in grade IV uterine prolapse surgery - Cătălin-Bogdan Coroleucă
17:30-17:45	The pelvic floor after childbirth: can we prevent urogynecological dysfunction? - Mihnea Edu, Antoine Edu
17:45-18:00	BIESSEN PHARMA SYMPOSIUM UTROGESTAN: the versatility of micronized progesterone, from the challenges of endometriosis to menopause management - Elvira Brătilă
18:00-18:30	LILLY SYMPOSIUM Mounjaro - the first dual step in obesity - from initiation to durability Ștefania Tudorache, Roxana Brebu
19:00	Welcome Dinner

SATURDAY, 19 September 2026**SESSION 4**

Moderators: Prof. Univ. Dr. Răzvan Socolov, Prof. Univ. Dr. Dominic Iliescu, Conf. Univ. Dr. Antoine Edu

- | | |
|--------------------|---|
| 09:00-09:15 | Pelvic organ support disorders after different hysterectomy techniques - Răzvan Socolov, Gabriela Dumăchița Șargu, Mădălina Ciuhodaru, Diana Popovici, Demetra Socolov, Costel Bradea |
| 09:15-09:30 | Role of lateral suspension for the treatment of pelvic organ prolapse – Lucian Zorilă, Dominic Iliescu |
| 09:30-09:45 | Third-generation bulking agents with neocollagenesis properties in the treatment of stress urinary incontinence - Andelo Mojsovic |
| 09:45-10:00 | Vaginal microbiota in stress urinary incontinence: from dysbiosis to surgical risk - Ciprian Ilea |
| 10:00-10:15 | The future of pelvic floor reconstruction - from Integral Theory to regenerative biomaterials and microbiome modulation - Traian Enache |
| 10:15-10:30 | Treatment of stress urinary incontinence by Urolon injection - experience of Euromaterna Hospital - Florian Danteș |

ASTRA ZENECA SYMPOSIUM

- | | |
|--------------------|--|
| 10:30-11:00 | From presentation to precision: endometrial cancer guidelines, molecular testing, and urogynecology practice - Cătălin Coroleucă |
|--------------------|--|

PHARMA TELNET SYMPOSIUM

- | | |
|--------------------|---|
| 11:00-11.15 | Restoring confidence and clinical control with UROLON® – advanced clinical mechanics & patient pathways for stress urinary incontinence - Andelo Mojsovic |
|--------------------|---|

- | | |
|----------------------|---------------------|
| 11:15 – 11:45 | Coffee Break |
|----------------------|---------------------|

SATURDAY, 19 September 2026

SESSION 5

Moderators: Prof. Univ. Dr. Petre Brătilă, Dr. Ion-Andrei Muller-Funogea, Asist. Univ. Dr. Ciprian Coroleucă

11:45-12:25 Updates in management of stress urinary incontinence - Tirsit Asfaw

12:25-12:40 Spatial stabilization theory: the pelvis as a biomechanical system - Petre Brătilă

12:40-13:05 Pelvic reconstruction / urogynecologic trauma - Igor Vaz

13:05-13:20 Labiaplasty techniques - Alexander Bader

13:20-13:35 Urinary incontinence: a diagnostic and therapeutic chameleon - Ion-Andrei Muller-Funogea

13:35-13:50 Robotic reconstruction of complex vesicovaginal fistulas in hostile pelvis: early experience from a tertiary referral center - Paul Medan

THERAMEX SYMPOSIUM

13:50-14:05 INTRAROSA BEYOND SYMPTOMS - from vulvovaginal manifestations to genitourinary health – clinical cases - Claudia Mehedințu

DR. REDDY'S SYMPOSIUM

14:05-14:20 Integrated management of vaginal dysbiosis: bacterial vaginosis and vulvovaginal candidiasis - Radu Chicea

14:20 – 15:30 **Lunch Break**

SATURDAY, 19 September 2026**SESSION 6**

Moderators: Prof. Univ. Dr. Laurențiu Pirtea, Conf. Univ. Dr. Aida Petca, Dr. Andrei Manu Marin

15:30-16:10 Graft use in pelvic organ prolapse surgery - Tirsit Asfaw

16:10-16:25 Posterior perineoplasty techniques - Alexander Bader

16:25-16:40 Robotics versus gravity: the contribution of robotic surgery to the correction of pelvic organ support disorders - Laurențiu Pirtea

16:40-16:55 When mesh fails: complications and their management in female pelvic floor reconstructive surgery - Aida Petca

16:55-17:10 Boari flap ureteroplasty for radiation-induced distal ureteral stricture following radical surgery for cervical cancer: A Case Report - Stefana Medan

17:10-17:25 Interstitial cystitis / chronic bladder pain. Adapting treatment according to phenotype - Andrei Manu Marin

17:25-17:40 Assessment of surgical outcomes in pelvic organ prolapse - Andrei Cucu

STADA SYMPOSIUM

17:40-17:55 Urinary tract infections and bloating: two common challenges, an integrated approach - Elvira Brătilă

17:55 **Congress closing**
