Paediatric Radiology

Bucharest 2025

Dear partners,

On behalf of the **Romanian Society of Paediatric Radiology** and of the **European Society of Paediatric Radiology**, I am informing you about the **EUROPEAN CONGRESS OF PAEDIATRIC RADIOLOGY (ESPR 2025)** to be held in Bucharest, **June 2nd-6th, 2025**, at the Caro Hotel Complex. This professional-scientific event, now in its 59th edition, has been organized only six times in Central & Eastern Europe, a context that increases the importance of the event for Romania. Many hundreds of participants are expected, from Europe but also from the rest of the world.

It would be a great honor for us to have you as a partner at this congress. We ask you to consider supporting financially this event, in any way would be possible. Given the fact that this professional-scientific event is organized at European level and with an even larger international participation, it would be appropriate to bring it to the attention of the companies you represent (corporations, European branches, suppliers). The ESPR 2025 Congress will offer you opportunities to promote brands and marketed products, as well as to interact with the scientific community and the users of the respective technologies.

We have taken into account the feed-back of the industrial partners that participated to previous ESPR Congresses, in the extent possible under the GDPR, EACCME and EtyhicalMedTech requirements. I am at your disposal to discuss practical aspects of your participation (Booth, Symposia, Workshops).

We would be grateful if you consider participating as a partner at our congress and informing us about your intention as soon as possible, not later than Oct 31st, 2024!

We will keep you updated about all developments in the organization of the event. The professional congress organizer will be PROevents & Conference (ioana.lazarescu@pproevents.com). Collaboration can be done on the basis of a commercial contract with Pro Events & Conference or a sponsorship agreement with the Paediatric Radiology Society. We are attaching the participation invitation with the various packages offered to partners/sponsors.

The web-page of the event can keep you updated with all the details: www.espr2025.ro; there you can find also links to the Facebook and Instagram pages that help keep you informed in real-time.

Sincerely,

Dr. Bogdan-Ştefan OLTEANU M.D., PhD., S.L.
