Central, Eastern and Southeastern Europe Airport Forum

Vienna Airport
Conference & Innovation Center

More info:
<https://cesee.viennaairport.com>

ACI EUROPE, in partnership with Vienna Airport, proudly presents the **Vienna Central, Eastern and Southeastern Europe (CESEE) Airport Forum** - a unique event dedicated to aviation stakeholders and their institutional partners from Austria to Ukraine, and from the Baltics to the Balkans, encompassing the countries of the CESEE region.

The Vienna CESEE Airport Forum will take place from 4 to 6 December 2024 at the Vienna Airport Conference and Innovation Center. This event offers a unique opportunity to connect with airport and airline executives, European politicians, and international investors focussing on **Central, Eastern & Southeastern Europe**.

In addition to the high-level conference and exhibition, participants will have the chance to explore the beautiful city of Vienna during the early Christmas season and discover the allure of Vienna as a destination.

**Join us for an exciting new experience
in the aviation industry!**

WHAT AWAITS YOU AT VIENNA CESEE AIRPORT FORUM

This brand-new airport forum will take place at Vienna Airport Conference & Innovation Center from 4 to 6 December 2024. The conference and exhibition will bring together leading representatives of the aviation industry in the region to discuss the pressing issues in our sector and identify new business opportunities.

Programme overview

Wednesday, 04.12.2024

Welcome Reception at 18:00

Thursday, 05.12.2024

Conference Day 1, 08:00 to 16:00

Aviation Get Together (VIE Wine Festival) from 18:30 in Vienna city centre (transfer provided)

Friday, 06.12.2024

Conference Day 2, 09:00 to 13:00 including VIE Airport tour

The conference programme will cover a range of topics, including the role of aviation in driving European integration and societal cohesion, the economic and geopolitical prospects affecting air transport's competitiveness and sustainability, as well as investors' perspectives on the CESEE region's untapped potential.
