

PHARMACOLOGY

2026 | TODAY'S SCIENCE TOMORROW'S MEDICINES

8 - 10 December 2026 | Manchester, UK

**BRITISH
PHARMACOLOGICAL
SOCIETY**

WHAT IS PHARMACOLOGY 2026?

Pharmacology 2026 the flagship meeting of the British Pharmacological Society, taking place 8-10 December in Manchester, UK.

The conference offers a diverse programme of scientific talks and networking opportunities, bringing together 800+ professionals from academia, industry, and health services.

It offers a unique opportunity to explore strategic partnerships, advance research visibility, and engage with global thought leaders reshaping the pharmacological landscape.

Join us at this exciting event, where participants contribute to and benefit from the evolving world of pharmacology science. Our sponsorship team will develop customised approaches aligned with your strategic objectives.

EXHIBIT

Join other leading organisations at Europe's largest Pharmacology & Drug Discovery conference.

The exhibition offers a platform to engage with the pharmacology and drug discovery community, bringing together undergraduate students, postgraduate researchers, early-career professionals, industry leaders, and academic researchers. The exhibition provides an opportunity to share insights and cutting-edge knowledge while nurturing existing relationships and connecting with potential new customers across the scientific landscape.

Exhibitors play a pivotal role in inspiring the next generation of professionals and driving strategic business development. It's a chance to actively contribute to the future of pharmacological sciences through genuine engagement, collaborative knowledge exchange, and meaningful commercial connections that shape career trajectories and advance scientific understanding.

3M X 2M BOOTH

£3,850 +
VAT

Inclusions:

Standard booth structure, company name panel, table, chairs, lighting, and electrical outlet.

Registration:

Two full conference pass registration waiver code.

Ideal for:

Organisations looking for a fully equipped exhibition space with minimal setup requirements.

PROGRAMME PARTNER

Demonstrate your thought-leadership in drug discovery with a unique speaking opportunity in our programme.

Programme Partner sponsorship offers a strategic opportunity for scientific leaders to contribute a dedicated speaking slot in the main conference programme. This platform enables industry partners to present cutting-edge research and innovations, facilitating direct engagement with the academic and research community.

Sponsors receive prominent recognition in conference materials, a spotlight feature in the programme, and valuable networking opportunities with leading researchers, while supporting knowledge exchange between industry and academia.

**£6,500 +
VAT**

PROGRAMME PARTNER

Inclusions:

90 min speaking opportunity, brand partnership on social media, programme partner recognition on event website, app, promo materials.

Registration:

5 full conference pass registration waiver code.

Ideal for:

Organisations looking to demonstrate thought leadership.

SUSTAINABILITY SPONSOR

Partner with us as we work together to make a significant environmental impact.

You'll play a crucial role in offsetting carbon emissions associated with the conference. Your support will enable us to implement eco-conscious practices and contribute to a greener future. Additionally, you'll receive recognition as a key sustainability partner on our website, event app, and promotional materials.

Moreover, you'll have the opportunity for a spotlight interview highlighting your sustainability initiatives and objectives. Partner with us to make a tangible difference in reducing our environmental footprint and fostering sustainability in pharmacology. Your support will help us lead by example and inspire others to prioritise eco-conscious practices.

£5,500 +
VAT

Sustainability Sponsor

Inclusions:

Brand partnership on social media, sustainability partner recognition on event website, app, promo materials, and interview.

Registration:

Two full conference pass registration waiver code.

Ideal for:

Organisations looking to demonstrate eco-conscious practices.

SUPPORT OUR EARLY CAREER SCIENTISTS

Show your support of the next generation of pharmacologists.

CAREER ZONE

The Career Zone is a space for early career researchers and students to visit, learn from those experienced within the industry and to hear about the latest vacancies and internships available. Sponsor the Career Zone to support the next generation of pharmacologists and provide essential expertise via a guest speaker or a CV and interview workshop.

£10,500 + VAT

EARLY CAREER WELCOME RECEPTION

Taking place the evening before the conference starts, this reception is specifically for early career attendees, students and other conference first-timers. As the reception sponsor, you can give an exclusive talk to welcome these attendees to the event.

£8,500 + VAT

ECR TRAVEL SPONSORSHIP

Empower the next generation of life scientists by sponsoring three early career researchers. This allows 3 ECRs to attend the conference, offering them a unique opportunity to explore the field of life sciences early in their career journey.

£4,500 + VAT

LOW- & MIDDLE INCOME ECR TRAVEL SPONSORSHIP

Enabling three early career researchers from low and middle-income backgrounds to attend the conference, this sponsorship provides a unique opportunity to support researchers and engage with the dynamic field of life sciences early in their professional journey.

£5,500 + VAT

TARGETED SPONSORSHIP OPPORTUNITIES*

In addition to our main sponsorship packages, we have a range of targeted sponsorship opportunities that allow sponsors to focus on specific aspects of the conference. These options provide flexibility and targeted visibility for sponsors, ensuring you can contribute in a way that aligns with your goals.
