

## FREE PAPER PRESENTATION FORMATS

### ISHA Annual Scientific Meeting 2025

The following outlines the different free paper presentation formats at ISHA 2025. Please see your notification email for details of your allocated presentation type, session and timings.

#### i. Standard Free Paper Presentation

This is an oral podium presentation – 5 minutes presentation with a panel discussion/Q&A.

Standard Free Paper Presentations will be given during the following sessions:

- Top 10 Free Paper plenary session (PL3)
- Free Paper parallel sessions (FP1 – FP10)
- JSHA-led free paper sessions (JP1, JP4, JP6)
- Pre-Conference Asia Regional Symposium Free Paper session (AS2)

**IMPORTANT:** You must submit your slides prior to the Meeting. Please email your PPT to [abstract@ishaconference.com](mailto:abstract@ishaconference.com) no later than **7 September 2025**.

#### ii. Rapid Fire Campfire Free Paper Presentation

This is an oral podium presentation – 3 minutes presentation, 1 minute for questions (max. 5 slides).

Rapid Fire Free Paper Presentations will take place during coffee breaks in the Exhibition Hall “campfire” areas (Sessions RF1 – RF10; Campfire Areas 1 – 5).

Submitters are invited in addition to the oral presentation to also prepare the submission as a one-slide EPoster, which will be included in the EPoster library. This is optional.

**IMPORTANT:** You must submit your slides prior to the Meeting. Please upload both your oral presentation slide deck and optional EPoster to the EPoster software using the login token and instructions provided by ISHA’s EPoster software provider, Documedias, no later than **7 September 2025**.

#### iii. EPoster

EPosters will be available to view on screens in the Exhibition Hall, via the mobile app and via the ISHA Conference Website.

Templates, instructions and upload links have been emailed to all presenting authors by ISHA’s EPoster software provider, Documedias. In addition to the EPoster, it is possible to upload video and audio files if desired. These should be uploaded as separate files.

EPoster upload deadline: **7 September 2025**.

#### **iv. Trainee Award Presentations**

The top scoring submissions where presenting authors are identified as medical students, residents or fellows have been entered for this year's two Trainee Awards, the winners of which receive a USD\$1,200 award. Trainee Award presentations have been scheduled within the main programme (sessions PL3 and FP1 – FP10). Successful finalists will see the presentation type "Trainee Award Presentation" showing for the relevant paper in their abstract notification status email.

If you have indicated in your submission that the presenting author is a medical student, resident or fellow, please do not change the presenting author without discussion with the Programme Office, as it may impact those candidates being considered for trainee awards.

Trainee Award presenters should follow the preparation guidelines for Standard Free Paper Presentations.
