

17 - 19 OCTOBER 2024
WASHINGTON DC, USA

Free Paper Presentation Formats ISHA 2024

i. Standard Free Paper Presentation

Oral podium presentations - 5 minutes presentation with a panel discussion / Q&A

ii. Rapid Fire Free Paper Presentation

Short oral podium presentation – 3 minutes presentation, with a panel discussion / Q&A

iii. Oral ePoster / Oral Video ePosters Presentation

Presentations will take place during coffee breaks in the Exhibition Hall theatre (Capitol Hall) - 3 minutes presentation, 1 minute for questions (Maximum 5 slides). Submitters are also invited in addition to the oral presentation to also prepare the submission as a 1 slide ePoster these presentations will also be included in the ePoster library

iv. Trainee Award Presentations

The top scoring submissions, where presenting authors are identified as medical students, residents or fellows, have been entered for this year's two trainee awards, the winners of which receive a USD\$1,200 award. These presentations have been scheduled within the main program within sessions FP1 - FP8. If you have indicated in your submission that the presenting authors is a medical student, resident or fellow, please do not change the presenting author without discussion with the program office as it may impact those candidates being considered for trainee awards.

v. ePosters / Video ePosters

ePosters will be available to view on screens in the Exhibition Hall, links via the mobile app and via the ISHA Conference Website.

Templates and instructions and upload links have been emailed to all presenting authors. In Addition to the ePoster it is possible to upload video and audio files if desired. These should be uploaded separate upload files if being included.
