

Dr Aimée JACQUEMOT

London, UK | aimee.jacquemot@nhs.net | +447875742848 | ORCID: 0000-0003-4922-1974

QUALIFICATIONS	MRCPCH	2025	Royal College of Paediatrics and Child Health
	Full registration	2021	GMC
	Clinical Medicine A100 (BM, BCh)	2020	University of Oxford
	Medical Sciences, BA (Hons, 1 st Class)	2017	University of Oxford

EMPLOYMENT HISTORY

ST3 University Hospital Lewisham (LGT) Mar 2026 – Sep 2026

- *Neonatal Intensive Care*: Step-up registrar post in DGH NICU, leading neonatal resuscitations, independently performing advanced procedures, supervising SHOs and delivering structured teaching and clinical governance

ST2/3 Evelina Children's Hospital / St Thomas' Hospital (GSTT) Sep 2024 – Mar 2026

- *Paediatric Cardiology*: Management of congenital and acquired cardiac disease with exposure to echo, catheter procedures, surgical MDTs and peri-operative/PICU stepdown care.
- *Neonatal Intensive Care*: Tertiary-level care of extremely premature, surgical and cardiac neonates, with advanced resuscitation, procedures and involvement in complex multidisciplinary decision-making.
- *Paediatric Nephrology*: Inpatient and outpatient care of children with complex kidney disease in a high-volume tertiary referral centre, including dialysis, transplant follow-up, acute PICU/NICU admissions, urological management of CAKUT and cross-speciality on-calls

ST1 University Hospital Lewisham (LGT) Sep 2023 – Sep 2024

- *General Paediatrics*: DGH inpatient management of a range of paediatric conditions, including on-call cover of paediatric A&E and SHO-led jaundice and sickle cell transfusion clinics.
- *Neonatal Intensive Care*: Care of neonates over 27 weeks gestation in a Level 2 NICU, including independent resuscitation of unwell newborns and management of routine postnatal pathology.

FY3 Chelsea and Westminster Hospital (CWHFT) Aug 2022 – Jan 2023: *paediatric A&E*

FY2 West Middlesex University Hospital (CWHFT) Aug 2021 – Aug 2022: *A&E, psychiatry, geriatrics*

FY1 Ealing Hospital (LNWH) Aug 2020 – Aug 2021: *cardiology, general surgery, gastroenterology*

- Jacquemot A., Higgins, C., Sinha, M. *Incidence of Biopsy-Proven Glomerulonephritis in the Southeast of England – A 2-Year Single-Centre Review*.

AWARDS/PRIZES

NWL Foundation School, 2021
University of Oxford, 2015-2018

Trainee Merit Award in Foundation

Multiple academic distinctions, including:

- Merit in Integrated Clinical Course OSCE
- John Morris Medical Award for top performance in preclinical finals
- St Hugh's College Scholarship and overall distinction

AUDITS/QUALITY IMPROVEMENT/PRESENTATIONS

Implementation of Paediatric AKI Reports and Management, 2025-2026 – led full audit cycles, data collection and analysis and intervention strategies; presented at UK Kidney Week and internationally at ESPN Conference 2026

Quality improvement work recognised with membership of the UK AKI Working Group

Incidence of Biopsy-Proven Glomerulonephritis in the Southeast of England – A 2-Year Single-Centre Review, 2025 – led data collection, analysis and manuscript preparation; presented internationally at ESPN/IPNA Joint Conference 2025

- Management of Fever < 3 Months, *CWH ED*, 2023 – NICE guidelines, designed and led audit, presented locally
- Specialty Trainee Handbook for the Neonatal Intensive Care Unit, *UHL NICU*, 2023 – created and implemented locally
- Pain in Children RCEM Clinical Audit and Management of Ingested Foreign Bodies in the Paediatric Emergency Department, *WMUH*, 2022 – data collection for local and national RCEM audits
- Management of Paediatric and Adult Paracetamol Overdoses in the Emergency Department, *WMUH*, 2021 – TOXBASE guidelines, independently designed, led, and implemented full-cycle QIP, presented locally
- National Asthma and COPD Audit Programme, Paediatric Workstream, 2019-2020 – *JRH*, BTS/SIGN guidelines, data collection for national audit, analysis of single centre results, presented nationally at PIER conference

COURSES/CPD

BMA Workplace Reps 1 Course	Dec 2025
57 th ESPN Annual Meeting and 4 th Cycle 3 rd IPNA-ESPN Junior Masterclass	Oct 2025
GOSH Nephro-Urology Course	Apr 2025/26
European Paediatric ALS (EPALS), <i>Resuscitation Council UK</i>	May 2026
Safeguarding Children Level 3	Nov 2025
Neonatal Life Support (NLS), <i>Resuscitation Council UK</i>	Feb 2024
Earlier Paediatric Experience / Electives:	
PICU/CATS, <i>Great Ormond Street Hospital, London</i>	Nov 2021
Infectious diseases, <i>Angkor Children's Hospital, Cambodia</i>	Feb 2020
General Paediatrics, <i>Trousseau Hospital, Paris</i>	Oct 2018

MANAGEMENT/LEADERSHIP

South Thames Trainee Representative, RCPCH Trainee Committee, 2025-2028 – Represented regional trainee perspectives in national initiatives to improve paediatric training, education and curriculum.

Resident Doctor Chair, GSTT and LGT BMA Local Negotiating Committee, 2025-2027 – Led negotiations on behalf of resident doctors, working directly with trust executives and board-level leadership on workforce and contractual issues.

Joint President, GSTT Resident Doctors' Forum, 2025-2026 – Coordinated representatives across one of the UK's largest trusts to facilitate departmental initiatives, improve representation and visibility, and build community.

- Trust Representative, *CWH* 2022, *UHL* 2023-2024, *ECH* 2024-2026
- *Leading through Education for Excellent Patient care* (LEEP), 2022 – HEE-endorsed leadership programme.
- Founder, *MedHeads*, 2019 – peer-to-peer welfare project for medical students

TEACHING

Nephrology Regional Training, London School of Paediatrics, Royal Society of Medicine, 2026 – designed and organised expert-led teaching on evidence-based diagnosis, management and current research in paediatric nephrology

Departmental Teaching Coordinator, Evelina Children's Hospital, 2024 – organised a programme of consultant and specialist nurse-led departmental teaching for paediatric nephrology trainees

Associate Fellowship of the Higher Education Academy, Imperial College STAR framework, 2021 – recognised for delivering high-quality teaching of medical students and educational leadership across multiple programmes, including:

- Informal small-group and bedside teaching sessions throughout foundation years, *EH/WMUH/CWH*
- Tutor and writer for paediatric SBA questions, *Make-A-Medic*
- Paediatric lecturer and mock PACES examiner for final-year students, *ICSMSU Muslim Medics*
- Mentoring and small-group tutorials for final-year students, *ICSMSU Medical Education Mentoring Scheme*
- Setting up the regional branch of a national teaching programme as Recruitment Officer, *Virtual OSCE Buddy Scheme*
