

# Help Us Make The SES Conference More Sustainable

**We're working  
to make the  
SES Conference  
greener—and we'd  
love your input!**

Join us for a coffee and an informal chat to share ideas on how we can make the conference more environmentally friendly.

**Where:**

Meet at the reception desk in the JMS building.

**When:**

During the afternoon refreshment break on Tuesday 14th April.

Your ideas can help shape a more sustainable future for the conference. Hope to see you there!
