

Alpha Synuclein Meeting 2025

Cambridge, UK
8th – 11th April, 2025

Registration is now open

Surrounded by vistas of beautiful, historic Cambridge, the 2025 Synuclein Meeting will include sessions on:

- the structure, physiology and pathology of alpha-synuclein
- development of alpha-synuclein based biomarkers
- new therapeutic approaches for alpha-synucleinopathies

The meeting will provide a perfect opportunity to discuss the latest developments in the field, from fundamental discoveries to translational studies.
