

ENG

Dr. David Chong earned his DDS from New York University College of Dentistry, where he also completed the Linhart Continuing Dental Education Program in Implant and Prosthetic Dentistry. He currently serves as Surgery Director and Adjunct Clinical Assistant Professor at NYU and as part of the Dean's Faculty at the University of Maryland. A diplomate of the American Board of Oral Implantology since 2017, Dr. Chong is also Senior Course Director at AIC Education, founder of the Think Implant Institute Study Club, and a visiting lecturer for the AAID Maxicourse. His dedication to education and clinical excellence has made him a respected leader and mentor in implant dentistry.

TR
