Using the online abstract submission system

Preparation of your abstract

1. A "blind" selection process will be used. No identifying features such as names of hospitals, medical schools, clinics or cities may be listed in the title or text of the abstract. Do not include the names of authors either.
2. The title should be as brief as possible. Please capitalise only the first word, not each one. There should be no full stop at the end.

The submission process

- Step 1:** Enter your abstract title and presentation type
Step 2: Select your category and stream
Step 3: Add author(s) name(s), organisation(s) and select your presenting author
Step 4: Add your abstract text and references in Harvard style. Upload tables or figures as a single word document
Step 5: Complete the additional information section
Step 6: Carefully review your submission
Step 7: Confirmation and submit – accept the terms and conditions and confirm your submission.

Amending a draft

At any time in the process before submitting, you can click the Save As Draft button to save your incomplete submission and return to it later.
