delaware is proud to be a **Gold Sponsor** at this year's SAP for Process Industries and Natural Resources conference. We have been empowering businesses to thrive and redefine the future for over 20 years. Join us in embracing change for unparalleled success.

We have a range of **live demonstrations** available throughout the event, as well as an **inspiring speaker session** on the hot topic of the moment: How AI helps driving businesses. To immerse yourself in the transformative capabilities of SAP, schedule a demo with our expert team during the conference.

## Demos: templates, solutions, accelerators

### Immersive Learning with eXtended Reality

- Create realistic training and learning scenarios to eliminate the gap between theory and practice.
